Travel Tales Collections Turkey 1:

Travel Tales Collections: Turkey Michael Brein, Ph.D., 2015-01-07 Michael Brein's Travel Tales Collection Turkey 1 includes Michael's own personal travel tales of the sorts of things that can happen to you in your travels in Turkey. Of course Michael's Turkey stories are fairly unique to him but somewhat similar things may happen to you. To Michael Turkey has been a paradox. On the one hand he found the Turkish people to be among the most hospitable and kindest people in the world; on the other hand, as in other parts of the world, Turkey has its dangerous and dark side too. Michael found that most of his travel experiences in Turkey were great but he quickly learned to keep a wary eye towards the potential negative which was fortunately for him atypical and rare. There are almost always unsettling rare surprises that do pop up now and again in your travels. Michael hopes they don't happen to you. But if they do, hopefully you're all the wiser for reading about them in these pages. The Travel Tales Collection Turkey 1 features stories of incredible hospitality, love, despair, ignominy, war, and more. Whether you are just an armchair adventurer or are actually planning a trip to Turkey, Travel Tales Collection Turkey 1 will provide you with many interesting and useful insights about the land and people of Turkey. The Travel Tales Collection Turkey 1 is part of Michael Brein's Collections travel tales series and contains among the best travel stories from Michael's huge collection of travel tales that he has gathered in interviews with nearly 1,750 world travelers and adventurers during his four decades of travel to more than 125 countries throughout the world. Travel Tales Collections are groups of very interesting, similar travel stories of a kind on a variety of very specific travel subjects, themes, or countries, such as close calls, great escapes, pickpocketing, scams, safety and security in travel, Paris, Morocco, Mexico, and so on. Eventually, several hundred Collections on all sorts of specific travel subjects, themes, and countries will be available on all the major eReaders. Future Collections and other ebooks will also include additional travel stories on Turkey.
