Gunners from the Sky Paul Chrystal, David Chrystal, 2023-10-12 This is the story of the 1st Air Landing Light Regiment RA and its role in the Italian campaign and at the Battle of Arnhem It is also the story of one of its soldiers 14283058 Gunner Eric Wright Chrystal father of the authors Eric joined the army in September 1942 and after training joined the newly formed glider borne regiment the following year He first saw action in Italy in 1943 where he was seriously wounded On 17 September 1944 two years to the day since he enlisted he and the regiment were landed by glider near to Arnhem in the Netherlands The authors recount set their father s experiences in context by describing the formation of the unit and the many months of training in England Their involvement in the Italian campaign where Eric served with E Troop 3 Battery is then recounted detailing their actions at Rionero Foggia and Campobasso where Eric was wounded It then moves on to describe 1st Air Landing Light Regiment s preparation for and involvement in Operation Market the Airborne half of Market Garden This very detailed account of the fighting highlights the regiment s pivotal but often neglected role near Arnhem bridge Here after nine days of intense combat Eric was among the many captured and held until the end of the war The inclusion of Eric s own eyewitness testimony lends a very personal touch to this excellent account of the regiment s experience of combat and life in the PoW camps

Putin's People Catherine Belton, 2020-06-23 A New York Times and Sunday Times bestseller A New York Times Book Review Editors Choice Named a best book of the year by The Economist Financial Times New Statesman The Telegraph Putin s People will surely now become the definitive account of the rise of Putin and Putinism Anne Applebaum The Atlantic This riveting immaculately researched book is arguably the best single volume written about Putin the people around him and perhaps even about contemporary Russia itself in the past three decades Peter Frankopan Financial Times Interference in American elections The sponsorship of extremist politics in Europe War in Ukraine In recent years Vladimir Putin s Russia has waged a concerted campaign to expand its influence and undermine Western institutions But how and why did all this come about and who has orchestrated it In Putin s People the investigative journalist and former Moscow correspondent Catherine Belton reveals the untold story of how Vladimir Putin and the small group of KGB men surrounding him rose to power and looted their country Delving deep into the workings of Putin s Kremlin Belton accesses key inside players to reveal how Putin replaced the freewheeling tycoons of the Yeltsin era with a new generation of loyal oligarchs who in turn subverted Russia s economy and legal system and extended the Kremlin s reach into the United States and Europe The result is a chilling and revelatory expos of the KGB s revanche a story that

begins in the murk of the Soviet collapse when networks of operatives were able to siphon billions of dollars out of state enterprises and move their spoils into the West. Putin and his allies subsequently completed the agenda reasserting Russian power while taking control of the economy for themselves suppressing independent voices and launching covert influence operations abroad. Ranging from Moscow and London to Switzerland and Brooklyn's Brighton Beach and assembling a colorful cast of characters to match Putin's People is the definitive account of how hopes for the new Russia went astray with stark consequences for its inhabitants and increasingly the world.

Geographies of Mobility Mei-Po Kwan, Tim Schwanen, 2018-10-11 This book seeks to bring together different philosophical theoretical and methodological approaches to the study of human mobility within the discipline of geography. With five thematic sections conceptualizing and analyzing mobility inequalities of mobility politics of mobility decentering mobility and qualifying abstraction and 27 substantive chapters by leading researchers in the field it provides a comprehensive overview of the latest thinking about human mobility and related issues. The contributors discuss mobility issues as diverse as everyday mobilities of young people migrants and refugees and sex workers the relationships between citizenship and mobility and the potential and pitfalls of big data for understanding mobility. This coupled with a broad international focus means that *Geographies of Mobility* will not only encourage and enrich dialogue on a theme that is of major importance to varied geographic research communities but will also be of great interest to students and researchers across the wider social sciences. This book was originally published as a special issue of *Annals of the American Association of Geographers*.
