*Quicklet on John Steinbeck's Travels with Charley in Search of America (CliffNotes-like Summary)* David Shook,2012-02-24 ABOUT THE BOOK I came to John Steinbeck s work through his novella The Pearl a diminutive but dark allegory about a Native American pearl diver whose discovery of an enormous pearl hurls him and his family into a world of greed and its disastrous consequences From The Pearl I found Cannery Row my favorite Steinbeck novel From its first sentence Steinbeck s descriptions vibrate with the same energy and poetry that his eclectic cast of outcasts embody as they throw unauthorized parties and philosophize with Doc based on Steinbeck s real life friend Ed Ricketts on 1920s Monterey

Bay the American sardine capital at that time Cannery Row in Monterey in California is a poem a stink a grating noise a quality of light a tone a habit a nostalgia a dream I turned next to Steinbeck's nonfiction attracted to *Travels with Charley* in Search of America because of my own experiences on Routes 10 and 40 mostly heading west towards California or back to Oklahoma or Texas to wait until I could go again Like Steinbeck with his standard poodle Charley I drove with my steadfast companion Okie Doke a considerably smaller pooch MEET THE AUTHOR David Shook studied endangered languages in Oklahoma and poetry at Oxford He's published essays about dancing with the President of Burundi and being detained in Equatorial Guinea and his poetry translations and book reviews regularly appear in magazines like *Ambit Poetry* and *World Literature Today* His most recent translations include Mario Bellatin's novella *Shiki Nagaoka* A Nose for Fiction Roberto Bolano's 1976 manifesto *Leave Everything Again* and the selected love poems of Isthmus Zapotec poet Victor Teran His current writing projects include *Kilometer Zero* a covertly filmed documentary about lost Equatoguinean poets a miniature encyclopedia and a collection of travel essays Shook lives with his wife and chihuahua in Los Angeles where he edits *Molossus* He's a competitive foosballer miniature book collector banjo/lele picker and aspiring rapper His moustache is sponsored by Oregon Wild Hair Moustache Wax the most literary moustache wax in the world EXCERPT FROM THE BOOK Steinbeck won the Nobel Prize for Literature in 1962 two years after his driving tour across the continent and just months after the publication of *Travels with Charley* His winning propelled *Travels with Charley* to the number one spot on the New York Times Best Seller List In his acceptance speech he lauded man's proven capacity for greatness and challenged all writers to celebrate that greatness in their written work For Steinbeck that was literature's ultimate purpose and he compellingly articulated his opinion throughout his speech I hold that the writer who does not believe in the perfectibility of man has no dedication nor any membership in literature Born in Salinas California on 27 February 1902 John Steinbeck witnessed man's capacity for greatness in the fertile farmlands surrounding the agricultural hub town While working those fields himself notably in the company town of Spreckels which boasted the world's largest beet sugar processing plant he witnessed many of man's less noble attributes including corporate and individual greed the poor treatment of migrant workers and the degradation of the physical environment all themes he explored in his work Buy a copy to keep reading

**Steinbeck's Imaginarium** Robert DeMott, 2022-11-15 In Steinbeck's *Imaginarium* Robert DeMott delves into the imaginative creative and sometimes neglected aspects of John Steinbeck's writing DeMott positions Steinbeck as a prophetic voice for today as much as he was for the Depression era 1930s as the essays explore the often unknown or unacknowledged elements of Steinbeck's artistic career that deserve closer attention He writes about the determining scientific influences such as quantum physics and ecology in *Cannery Row* and considers Steinbeck's addiction to writing through the lens of the extensive obsessive full length journals that he kept while writing three of his best known novels *The Grapes of Wrath* *The Wayward Bus* and *East of Eden* DeMott insists that these monumental works of fiction all comprise important statements on

his creative process and his theory of fiction writing DeMott further blends his personal experience as a lifelong angler with a reading of several neglected fishing episodes in Steinbeck's work Collectively the chapters illuminate John Steinbeck as a fully conscious self-aware literate experimental novelist whose talents will continue to warrant study and admiration for years to come     American Studies ,1983     **Catalog of Copyright Entries.
