AN8 - Collection of Numbered Speeches Tomás Morales y Durán,2024-03-31 The eighth book of the A guttara Nik ya the Collection of the Numbered Discourses of the Buddha collects 627 suttas or discourses whose subject matter centers on groups of eight topics though not always This book contains a remarkable accumulation of important suttas some of them unique which makes it indispensable in contrast to the anodyne lack of interest of the previous books of this Numeric Collection Even so it is not understandable that at the end of the book there are suttas that repeat previous ones with inappreciable differences This book contains a famed sutta that is completely false AN 8 51 with Gotam It contains the sad story of an orphaned Buddha nursed by his aunt which serves as a way for its misogynistic author to interpose limits on women The plot features of course the servant nanda manipulating the Buddha into accepting the ordination of women It has all the components of the false suttas For example an overrated nanda appears a story that contradicts all the suttas that speak of the bodhisatta s renunciation when the mother and father dismiss him with teary eyes Or in this same collection in AN 8 70 Earthquakes where the M ra reminds the Buddha while demanding him to extinguish himself Lord you once made this statement Evil one I will not be completely extinguished until I have no female bhikkhun s disciples who are competent educated confident wise The order of bhikkhun s is one of the four missions that the Buddha had from the beginning And misogyny as we already know is another constant in the false suttas The danger of larceny by the rulers reappears here up to three times AN 8 54 and AN 8 55 and AN 8 76 The section of outstanding suttas is truly extensive AN 8 11 the Buddha is an abortionist AN 8 42 contains an exhaustive list of the 16 countries in India at the time AN 8 10 and AN 8 20 relate expulsions of bhikkhus by force AN 8 13 and AN 8 14 in them the Buddha exhibits an outstanding knowledge of horse taming which helps to fix his Scythian s kka origin The horse loving Scythians were the pioneers in their taming AN 8 19 a most beautiful description of Nibb na AN 8 21 describes Ugga an amazing layman AN 8 29 describes missed opportunities for practice and to AN 8 63 which is a complete but brief compilation of practice In short this time the arduous and exhaustive work of research and reconstruction in comparative linguistics has a prize an important one **Meehans' Monthly** ,1891 *Plant a Tree for Me* Ann Marie Smith,2020-04-01 Discover the answer to a thriving planet Get inspired and motivated to make a difference for the environment You are important You possess the power to change things Champion a big adventure Be a mighty tower of rocket power You have ten good years to get the planet going in the right direction Start now Plant a Tree for Me is motivational and inspiring for the answers to climate change challenges Find out what you can do now to make the world a better place Be an environmental activist Help save the planet Trees are a big part of the science that will heal the Earth and support all life including animals and birds Discover your destiny Destination Dixie Karen L. Cox,2018-03-15 Once upon a time it was impossible to drive through the South without coming across signs to See Rock City or similar tourist attractions From battlegrounds to birthplaces and sites in between heritage tourism has always been part of how the

South attracts visitors and defines itself yet such sites are often understudied in the scholarly literature As the contributors to this volume make clear the narrative of southern history told at these sites is often complicated by race influenced by local politics and shaped by competing memories Included are essays on the meanings of New Orleans cemeteries Stone Mountain Georgia historic Charleston South Carolina Yorktown National Battlefield Selma Alabama as locus of the civil rights movement and the homes of Mark Twain Margaret Mitchell and other notables Destination Dixie reveals that heritage tourism in the South is about more than just marketing destinations and filling hotel rooms it cuts to the heart of how southerners seek to shape their identity and image for a broader touring public now often made up of northerners and southerners alike

Black Spartacus Sudhir Hazareesingh,2020-09-01 Winner of the 2021 Wolfson History Prize Black Spartacus is a tour de force by far the most complete authoritative and persuasive biography of Toussaint that we are likely to have for a long time An extraordinarily gripping read David A Bell The Guardian A new interpretation of the life of the Haitian revolutionary Toussaint Louverture Among the defining figures of the Age of Revolution Toussaint Louverture is the most enigmatic Though the Haitian revolutionary s image has multiplied across the globe appearing on banknotes and in bronze on T shirts and in film the only definitive portrait executed in his lifetime has been lost Well versed in the work of everyone from Machiavelli to Rousseau he was nonetheless dismissed by Thomas Jefferson as a cannibal A Caribbean acolyte of the European Enlightenment Toussaint nurtured a class of black Catholic clergymen who became one of the pillars of his rule while his supporters also believed he communicated with vodou spirits And for a leader who once summed up his modus operandi with the phrase Say little but do as much as possible he was a prolific and indefatigable correspondent famous for exhausting the five secretaries he maintained simultaneously at the height of his power in the 1790s Employing groundbreaking archival research and a keen interpretive lens Sudhir Hazareesingh restores Toussaint to his full complexity in Black Spartacus At a time when his subject has variously been reduced to little more than a one dimensional icon of liberation or criticized for his personal failings his white mistresses his

early ownership of slaves his authoritarianism Hazareesingh proposes a new conception of Toussaint's understanding of himself and his role in the Atlantic world of the late eighteenth century *Black Spartacus* is a work of both biography and intellectual history rich with insights into Toussaint's fundamental hybridity his ability to unite European African and Caribbean traditions in the service of his revolutionary aims Hazareesingh offers a new and resonant interpretation of Toussaint's racial politics showing how he used Enlightenment ideas to argue for the equal dignity of all human beings while simultaneously insisting on his own world historical importance and the universal pertinence of blackness a message which chimed particularly powerfully among African Americans Ultimately *Black Spartacus* offers a vigorous argument in favor of getting back to Toussaint a call to take Haiti's founding father seriously on his own terms and to honor his role in shaping the postcolonial world to come Shortlisted for the Baillie Gifford Prize Finalist for the PEN Jacqueline Bograd Weld Award for Biography Named a best book of the year by the *The Economist Times Literary Supplement New Statesman* **Familiar**
