

# *A Tribute to My Dad*

*Who is that man with the gentle face,  
Who in his youth kept a hectic pace,  
To provide for his family all that he could,  
Who is that man so giving and good?*

*Who is that man with the ready smile,  
Who always took time to sit for a while?  
He was there when his family needed him there,  
Who is that man with the gray in his hair?*

*Who is that man who encouraged us all,  
And helped us up when we took a fall,  
Spending a lifetime extending his hand,  
Who is that kind, compassionate man?*

*Who is that man who we all adore,  
The man who these words of devotion are for?  
I'll tell you with all of the love that I can,  
"My Dad" is that truly exceptional man!*

Grieving the Death of a Father Harold Ivan Smith, 2024-07-16 Losing a father can be a complex and confusing transition Whether a father was beloved or feared the loss and grief is a process one that sometimes begins before the physical loss has occurred Drawing on his own experience of losing a father as well as on the experiences of others grief counselor and educator Harold Ivan Smith compassionately guides readers through their grief from the process of dying through the acts of remembering and honoring a father after his death This book provides a way forward By shifting the grief process from something to rush through Smith encourages readers to embrace their grief as a natural response to loss and to give themselves time to work through the sadness ambiguous feelings memories and reality of living without a father A father's death inevitably changes us With gentle and wise words Smith speaks to people who have gone through this loss and helps those yet to face it This edition includes a new foreword from the author **Here Be Dragons** Melanie Shankle, 2025-02-18 NEW YORK TIMES BESTSELLER From the author of Nobody's Cuter than You comes a poignant deeply personal story about trusting God to heal generational wounds so you can be a strong loving presence for your teenage daughter In medieval times uncharted waters were marked on maps as Here Be Dragons to signify that no one knew what dangers might lie ahead Melanie Shankle quips that the years spent raising our teenage daughters could be labeled the same due to the uncertainties before us Like a lot of moms Melanie found herself in need of a parenting map when her teenage daughter Caroline entered her sophomore year of high school where she encountered relentless mean girls and brutal heartache While trying to equip her daughter to deal with the toxic social dynamics of high school Melanie was hit with a cruel realization The shame criticism and verbal abuse she had endured throughout her own life was wrought by one particular mean girl her own mother Melanie hoped to raise her daughter to be a warrior and she realized she couldn't do that unless she became healthy enough to fight her own dragons She invites you into her story as she explores her complex family dynamics discovering what it takes for any of us to survive and ultimately thrive in spite of wounds that remain This was the beginning of her journey of trusting God to help break generational cycles that had told the women in her family to find their value in everything but His love Filled with personal stories and written in the same whimsical and honest style Melanie is known for **Here Be Dragons** will have you both laughing out loud and crying sometimes on the same page as you confront the challenges of raising your own strong independent daughter while fighting dragons along the way **Songs on the Wind** C. Scott Fulton, 2019-11-19 This book is a collection of most of my songs recast as poems They were written over a fifty year period and over that time my experiences have grown and my sensibilities have shifted in various ways But it seems to me that we are all on a very similar journey And my hope is that there is something in here for you that the songs on the wind that have come to me moved me carried me will help sing you homeward as well The Far Side of a Dead Beat Dad David Bryson, 2017-01-11 As a former member of the United States Army Special Forces David Bryson lived by the motto De oppresso liber a Latin phrase that

means to free from oppression or to liberate the oppressed Little did he realize that years later he would be fighting to liberate not others but himself from an unjust governmental system Slapped with a bill for over 23 000 in allegedly unpaid child support a charge based solely on his ex wife s testimony Bryson refused to pay As a result his passport was taken away his wages garnished his vehicle seized and sold at auction and his multiple attempts to refute his ex wife s charges denied Years later he refuses to surrender which means he is still unable to leave the country own property or earn a living Fed up with the systematic fraud and perjury he claims he has encountered throughout the justice system in El Dorado County California which has jurisdiction over his case Bryson has finally decided to take matters into his own hands In this book he has published his side of the story candidly and unedited including accompanying legal documentation By doing so he hopes not only to hold the County of El Dorado accountable for withholding justice in his case but also to prevent other alleged deadbeat dads like him from being presumed guilty before they have a chance to prove their innocence

The Journey God Chose Douglas V. Jewson, Al Brock, 2013-01-14 The Journey God Chose is told by a man who at an early age had a heart that yearned after God In the process of surrendering his life to Christ he came to realize the truth contained in Proverb 16 9 New International Readers Version In your heart you plan your life But the Lord decides where your steps will take you He realized that each day of his life journey was ordered not by him but by his Heavenly Father Al Brocks story is intensely personal It is an open and honest look at his struggles from early childhood with feelings of jealousy inadequacy and inferiority as he became aware of physical limitations not shared by his identical twin brother As well he struggled with feelings of lack of acceptance by his father again because of his limitations Als brother Pete was always chosen first to be on athletic teams while Al was chosen last Pete became the star quarterback of the high school football team while Al himself served as the teams water boy He grew up in an environment of fear because of his fathers alcoholism and violent rages when intoxicated And then his father was gone when Al was only nine years of age succumbing to the ravages of his drinking This left the family of mother and four children to cope with no ready source of money during the years of the Great Depression Als life verse could be thought of as Romans 8 28 NIRV We know that in all things God works for the good of those who love him He appointed them to be saved in keeping with his purpose This verse is a thread running throughout the story of his life It is evident from childhood on as the family overcame the challenges of going forward without the father Continued evidence is seen throughout from his military service during WWII through his calling to the ministry and his education in the answer to prayer that provided his wife and on into his later years Every life that came in contact with Al Brocks was met with a commitment by him to closeness and lasting friendship God used that to bring those he and Bunny met closer in their desire for the Lord The churches he served grew both in membership and spiritually A monumental change occurred for Al with the stirring of the Holy Spirit for a full surrender of his life God gave him a life changing experience of memory for repressed events with subsequent healing of past hurts done to him and by him to others The result was a Baptism of the Holy Spirit

into the fullness and freshness of a new spiritual calling and personal walk with God The lives of those he came in contact with were changed to an even greater degree with the fullness of the indwelling of the Holy Spirit This became a priority in churches he served and in special groups of people The Spirit of the Lord was seen to change individual lives as well as the collective life of the churches he and Bunny were called to serve Al Brock is one of the few men I have come in contact with who has turned sorrow and disappointment into a stepping stone to knowing God in a richer and deeper walk and the Holy Spirits control Bunny faithfully served along with him in every calling that they had together His children rise and call him blessed So do the many close friends he and Bunny made during the years that they served in the ministry It was a pleasure for me and my wife Diane to come to know him and his loving wife through helping to put his life story into words on paper Hopefully lives will continue to be changed by those who read these words even though you may not have the joy of being in contact with him through personal relationship or ministry

*Never Walk Away* Crawford W. Loritts Jr.,1998-07-01 Do you have what it takes to be a great dad You don t have to be a number one athlete the president of your company or even the funniest bed time story teller No special skills are required You have everything you need to be the best dad the knowledge of what is right and the conviction to act upon that understanding What you do and say will leave lasting impressions about character integrity and faith upon your children Don t you want that impression to be a good one Crawford Loritts godly father was a source of family solidarity and a blessing to his children Learn from his example how one ordinary man can exhibit an extraordinary timeless love that fosters intimate lasting father child relationships Become your child s strongest ally mentor inspiration and friend Each

husband and father has the means to powerfully shape his family's future. By your example you can instill in your children a standard for love that endures. Discover how you can exhibit faithfulness that will have a far-reaching impact on your kids and future generations in *Never Walk Away*. *Good Stuff* Jennifer Grant, 2011-05-03 Jennifer Grant is the only child of Cary Grant who was and continues to be the epitome of all that is elegant, sophisticated, and deft. Almost half a century after Cary Grant's retirement from the screen, he remains the quintessential romantic comic movie star. He stopped making movies when his daughter was born so that he could be with her and raise her, which is just what he did. *Good Stuff* is an enchanting portrait of the profound and loving relationship between a daughter and her father who just happens to be one of America's most iconic male movie stars. Cary Grant's own personal childhood archives were burned in World War I, and he took painstaking care to ensure that his daughter would have an accurate record of her early life. In *Good Stuff*, Jennifer Grant writes of their life together through her high school and college years until Grant's death at the age of eighty-two. Cary Grant had a happy way of living, and he gave that to his daughter. He invented the phrase "good stuff" to mean happiness. For the last twenty years of his life, his daughter experienced the full, vital passion of her father's heart, and she now delightfully gives us a taste of it. She writes of the lessons he taught her of the love he showed her of his childhood, as well as her own. Here are letters, notes, and funny cards written from father to daughter and those written from her to him, as well as bits of conversation between them. Cary Grant kept a tape recorder going for most of their time together. She writes of their life at 9966 Beverly Grove Drive, living in a farmhouse in the midst of Beverly Hills, playing, laughing, dining, and dancing through the thick and thin of Jennifer's growing up, the years of his work, his travels, his friendships with old Hollywood royalty, the Sinatras, the Pecks, the Poitiers, et al, and with just plain old royalty, the Rainiers. We see Grant, the playful dad, Grant, the clown, sharing his gifts of laughter through his warm spirit, Grant teaching his daughter about life, about love, about boys, about manners, and money, about acting and living. Cary Grant was given the indefinable incandescence of charm. He was a pip. *Good Stuff* captures his special quality. It gives us the magic of a father's devotion and goofball-ness as it reveals a daughter's special odyssey and education of loving and being loved by a dad who was Cary Grant. **The Spirit of Christ in Human**

**Brains and Neurosurgery** Ramsis F. Ghaly MD FACS, 2018-06-07 There is no doubt in my mind that the Spirit of God is connected to the human brain within the skull. The human brain is not limited to the boundaries of the skull. Instead, it goes beyond the physical barriers of our planet and into the spiritual world. My Christian faith as a Coptic Egyptian Orthodox was the main reason I chose to be a neurosurgeon. It is in this way how my soul becomes closer to Lord Jesus Christ. I have devoted my life and withstood a very long journey in medicine and neuroscience, leaving my home country of Egypt and coming to America to strive in the difficult fields of neurological surgery, neuroscience, and anesthesiology. Every day, my soul learns more and more about my Lord Jesus. I see him in my patients, in my surgeries, and in my surroundings. Deep within the brain lies the Spirit of Christ. As the author, I explore not only the connectivity of the human brain with the Spirit of God but

also the Spirit of Christ in my neurosurgery practice My human brain continues to be both thirsty and hungry for more and more of his eternal love In this present book of sixty five chapters much of my soul I wish to share with you the beloved reader A section is designated to my most recent neurosurgery patients testimonials and experiences Another section reflects upon the biblical words used during President Donald Trumps inauguration and Melanias speech and the presidents visit to the Middle East for peace      Pluralistic Approaches to Art Criticism Douglas Emerson Blandy,Kristin G. Congdon,1991 Contributors to this anthology analyze the contemporary academic methods for critiquing art and suggest new ways that might further our understandings of art created by myriad individuals and groups The essays give readers further insight into a diverse range of artistic creators often overlooked in art world studies      The Fox Bride Who Devours Souls Thoms R Woodard, Zombies everyone has heard of them but few have ever seen one According to legend zombies are born of the resentment of heaven and earth existing outside the five elements beyond yin and yang Undying indestructible eternal through the ages But who has ever heard of a Jiangshengzi a Zombie born Born neither human nor ghost half living yet not fully undead And it all began eighteen years ago      Congressional Record United States.
