too much Armed with a ridiculously over the top outfit and plenty of places to hide Micah is able to see for himself that Garrison is whole and healthy When Micah s plan goes awry Garrison is there to save him once again but will Micah convince him to stay or will Garrison walk away forever **Tys That Bind** Jessie G, Preparing for adoption makes Ty and Chase realize that the ties that bind them together are forged in a love that can never be taken away Unprepared ill equipped and with no example to look back on Ty and Chase embarked on a journey to build a family for Ava and Luc that would far exceed anything they dreamed of for themselves Two years later they ve succeeded beyond their wildest expectations but there s still a couple of things missing and they re ready to make them happen Bad boy biker Trick wouldn t hesitate to fight for those he loves but Ty knows it will take more than violence to win this war Willfully submissive Chase has the utmost faith in his Master but when he sees Ty struggling with demons from his past it will be his quiet unbending support that will see them through Jumping through the loopholes of family court they are only one event shy of making it all official and neither are willing to wait another second to check it off the list Clearing the path for adoption should reassure them but it will take their cast of well meaning friends and the occasional slap upside the head before they realize that the ties that bind them together are forged in a love that can never be taken away Their Reason Jessie G, From setting a date to their surprise Irish honeymoon join Bull and Red as they navigate the wonderful and crazy adventure of planning a wedding You are cordially invited to the wedding of Jon Connor and Ian Jones When I think about my guys and who I think marriage would mean the most to I always think about Red Growing up in foster care and spending his first twenty five years just trying to survive the concept of family is a dream he never thought would become a reality He found a family with Bull the Connors and our favorite guys in the garage but marriage would really make him a Connor Not just the piece of paper but the vows in front of all their loved ones the promise of forever it s everything Red deserves In this sequel novella to For A Reason we follow Bull and Red through the wonderful and crazy adventure of planning a wedding From setting a date to saying those two magical words to their surprise Irish honeymoon we get to see how love has transformed everyone s favorite couple And stick around for the outtakes Red and Bull s marriage has had quite the impact on all the guys *Finn* Jessie G,2022-04-26 Nash s wanderlust sent him running once but when he finds what he s been searching for in Finn can he convince the single dad he s home for good At eighteen Nash Galasso couldn t get out of Gaynor Beach fast enough The seaside town was too confining too nosy and came with too many expectations Quick visits kept his sandy roots alive but no matter how many times his brother asked Nash refused to be guilted into moving back Not until a boating accident left his niece and nephew orphaned and he was the only family left to raise them Finn Brody loved everything about living in a small town The quaint community was close knit and accepting and when he got the chance to go to a prestigious university he happily turned them down for community college and fatherhood All he wanted was to give his son Sawyer the same childhood he enjoyed and though Finn never expected to raise his son alone he could only do that in Gaynor Beach In high school they were

acquaintances passing in the hall When they meet again Finn is the man to help Nash settle the estate Their easy friendship is a bonus they both welcome but it s their growing attraction that makes Nash realize that everything he s been searching for is waiting in the place he left **For a Reason** Jessie G, With his last chance at a new start going up in smoke Ian isn t prepared for the help of a tatted up former marine with issues that rival his own Former Marine and full time big brother Bull Connor spends his days helping those in need of a second chance and his nights fighting the inner demons that won t let go During a routine tow he comes face to face with the only person who refuses to need him and the one man he wishes would As a throwaway Ian Jones is used to being alternately overlooked or ridiculed but hasn t given up on the idea that with just one chance he could turn it all around Rescued by the one person who neither overlooks nor ridicules him he longs to be seen as more than just a man in need Ian isn t pining for the family he s never known but when they descend unwanted and uninvited Bull must prove that he s the man who will protect Ian s long neglected heart by sharing the demons that torment his wounded soul **Our Reason** Jessie G, Married life is everything Bull and Red could have hoped for It s not something they d ever take for granted and the need to pay it forward is a trait the husbands happily share When the new director of the Bennett House asks Red to teach an art class he isn t entirely sure how it will help but he s more than willing to try Each week he is rocked by the artful outpouring of emotion and the gratitude of his students One by one they burrow into his heart but none more so than Dillon Young Always holding himself apart from the others the wisp of a boy keeps his head down and hides behind a mangy overgrown length of dark hair like a shield Despite his best attempts not to see himself in all the young men that come through the center everything about Dillon calls out to Red When he turns to the one man he knows he can always count on he expects Bull to be the voice of reason and soon they re both invested in helping Dillon There s no doubt they have an abundance of love to share and if ever there was someone who needed it Dillon was the one Between Bull s strength and Red s patience they ll help Dillon learn to trust again and in the process create a family that none of them intended Talk Dirty to Me Jessie G, 2016-03-28 As a secret agent for the DEA Snake s gone deep into Devils Pride MC with the hope of bringing down the head of Miami s lucrative drug trade and finds himself saddled with the club s volatile and secretive SA instead Unfortunately after years as partners doing shit neither of them wanted to do for reasons neither of them felt comfortable sharing Snake considers Trick his best friend Now he ll do anything to repair the damage his own necessary lies did to their friendship because while Trick may have walked away from the MC Snake needs someone he trusts to have his back Meanwhile Snake s contact at the DEA has him tied up in knots The sexy voice and inappropriate comments have him walking around with a permanent set of blue balls Life undercover is lonely and he lives for every phone call but his own personal Deep Throat is skittish about committing to a date once Snake returns to headquarters As far as Snake s concerned they only have one shot to build something together and he s not willing to waste it Greg knows he s not Snake s type or anyone s for that matter Former love interests called him plain chubby and boring More comfortable in his

tech cave than with people he's a grade A nerd who isn't exactly GQ material Normally he would never be brave enough to flirt with anyone much less the very hot and very dangerous ginger who'd been starring in his nightly fantasies but Snake needed something to keep him from getting lost undercover What started out as a helping hand quickly became an integral part of their relationship if one could call a five year phone conversation a relationship and Greg is terrified that once Snake sees the wizard behind the curtain he'll lose the only man he's ever loved Now the DEA has called Snake home to plan the next stage of the mission leaving Greg no more places to hide When fantasy and reality collide will it be everything Snake hopes for or everything Greg fears The trick will be staying alive long enough to figure out the answer
