International Television & Video Almanac, 1993 Barry Monush, William Pay, Patricia Thompson, 1993 **The Alpha Wolf Takes His Mate - Reluctant Virgin Rough Werewolf Gangbang** Francis Ashe, Curvy cute and sometimes confident Jenna needed some time to think before her wedding so she sought the calm serenity of the woods she visited as a girl At first everything is normal but soon the shadows around her come alive As her mind swims with horror stories she heard as a child a howl breaks the night and she runs deeper and deeper into the forest Soon she s surrounded by wolves but to her surprise right alongside her terrible fear lays an even deeper burning forbidden lust The pack s alpha claims Jenna but before he accepts her as his mate she must pass a test a raw primal encounter with his subordinates that s sure to leave her sore and strained and gasping for more Warning this 8000 word erotic romance features a wild ravenous werewolf m nage a virgin s first taste primal desires and a mate who cannot wait to be claimed Excerpt A groan escaped the alpha s mouth and he crept forward lowered his head and slid his tongue along my neck Enough he growled My desire for you burns Soon you will take my my seed But first my sons must induct you into the he turned his head coughing wildly before he turned back To the pack You will become one of us your soul must be a wolf before you can hold my he stopped just short of telling me exactly what he was going to do but I had some kind of idea A test I asked as my fingers dropped away from him when he moved My question made the alpha laugh a horrible strained laugh If you can t handle them he said cocking his head Then why do you think you could handle me I sucked a breath deep into my lungs

inhaling his scent one last time before he was gone Now he growled Prepare my mate And don t try anything Do you understand Althar I turned my head to see which one he was talking to but to my surprise something absolutely unbelievable even after all that took place The copper colored wolf lay on his side panting He acknowledged what his father said but then he wrenched from around thrashing so hard I thought he d break his back Moments later he stood on his hind legs as they filled with muscle and the fur seemed to recede into his skin His body twisted contorted and before my eyes he turned into something very similar to a man a human man but he was just slightly different And way way bigger Every part of him was huge The muscles of his legs his hard biceps and his powerful chest were all more impressive and intimidating than any person I d ever seen And then I looked down
