Pafunge Shona Advanced Level Novels

Emmanuel Chiwome, Zifikile Mguni

Pafunge Shona Advanced Level Novels:

The Rise of the Shona Novel George P. Kahari,1990

A Social History of the Shona Novel Emmanuel

Chiwome,2002 Shona literature now comprises 85% of literature published for schools in Zimbabwe an indication of its significance for the understanding of the philosophical and historical base of the understanding of a language people and nation Chiwome s book argues that the productivity of Shona fiction is inseparable from the dialects of history first colonialism then development and exposes colonialist notions about Shona cultural values and the implications for reading and writing the literature He analyses Shona writers predilections for certain genres of fiction asking why colonialism did not produce historical committed literature and why moralistic and fantastical modes prevail In the latter part of the book he adopts Manichean and Fanonian psychoanalytic approaches to African fictional characters suffering inferiority and collective paranoia and discusses how this relates to the aesthetic qualities of the literatures of decolonisation *Aspects of the Shona*

Novel and Other Related Genres George P. Kahari,1986

Zimbabwean Literature in African Languages Emmanuel

Chiwome,Zifikile Mguni,2012 The scope of this book is Ndebele and Shona literature with emphasis on post independence publications African literature in English has received more critical attention than literature in indigenous languages The former has occupied centre stage as representing national literature while modern literature in indigenous languages occupies the intermediate lower stratum that is accorded to national languages in the colonial and post independence eras The objective of the study is to combine some of the different genres of literature in indigenous languages in an attempt to understand them on the basis of their common history and culture While colonialism has promoted and interpreted differences among Zimbabwean ethnic communities as evidence of polarisation the authors here view African language literatures as parts of one great whole **Zambezia** ,1982 Zimbabwe Books in Print ,1998 **Pfupajena** Reason Kufonya,2011-01-01 A novel
