In 1978 a Maya community queen stood on a stage to protest a massacre of indigenous campesinos at the hands of the Guatemalan state She spoke graphically to the dead and to the living alike Brothers of Panz s your blood is in our throats Given the context her message might come as a surprise A revolutionary insurgency in the late 1970s was being met by brutal state efforts to defeat it efforts directed not only at the guerrilla armies but also at reform movements of all kinds Yet the young woman was just one of many Mayas across the highlands voicing demands for change Over the course of the 1970s Mayas argued for economic cultural and political justice for the indigenous pueblo Many became radicalized by state violence against Maya communities that soon reached the level of genocide Scholars have disagreed about Maya participation in Guatemala s civil war and the development of oppositional activism by Mayas during the war is poorly understood Betsy Konefal explores this history in detail examining the roots and diversity of Maya organizing and its place in the unfolding conflict She traces debates about ethnicity class and revolution and examines how some Mayas became involved in opposition to a repressive state She looks closely at the development of connections between cultural events like queen pageants and more radical demands for change and follows the uneasy relationships that developed between Maya revolutionaries and their Ladino counterparts Konefal makes it clear that activist Mayas were not bystanders in the transformations that preceded and accompanied Guatemala s civil war activism by Mayas helped shape the war and the war shaped Maya activism **Haunted London** Walter Thornbury,1865 **Popular Cultures in England**

fast paced narrative history of a curious and contradictory institution From its start in 1921 as an Atlantic City tourist draw to its current incarnation as a scholarship competition the pageant has indexed women s status during periods of social change the post suffrage 1920s the Eisenhower 1950s the MeToo era This ever changing institution has been shaped by war evangelism the rise of television and reality TV and significantly by contestants who confounded expectations Spot lighting individuals from Yolande Betbeze whose refusal to pose in swimsuits led an angry sponsor to launch the rival Miss USA contest to the first black winner Vanessa Williams who received death threats and was protected by sharpshooters in her hometown parade Margot Mifflin shows how women made hard bargains even as they used the pageant for economic advancement The pageant s history includes crucially those it excluded the notorious Rule Seven which required contestants to be of the white race was retired in the 1950s but no women of color were crowned until the 1980s In rigorously researched vibrant chapters that unpack each decade of the pageant Looking for Miss America examines the heady blend of capitalism patriotism class anxiety and cultural mythology that has fueled this American ritual
