Aimee-Louise Foster

Paige And Chloe Aces Mc Series Book English Edition:

Paige and Chloe (Aces MC Series Book 2. 5) Aimee-Louise Foster, 2015-09 Eighteen year old identical twins Paige and Chloe are the youngest of Hound's and Maggie's children. Although sharing their looks that's where the similarities end. Paige embraces club life by becoming a stripper, whereas Chloe follows her dream of becoming a hair stylist. Paige and Chloe's relationship has been arduous over the years much to Chloe's annoyance because however hard she tries to get close to her twin, her efforts are futile. After months of flirting, Chloe's admirer at the club finally gives into his urges and they start a secret affair. Paige catches them in an embrace and doesn't hesitate to inform Duke of what she has seen. Will the relationship be strong enough to last the distance or will Duke put an end to it before it's even begun? Paige is dealing with her own demons and uses drugs and casual sex to numb the pain and hide the secret that if revealed may rip her family apart forever. Paige uses this hate to build a barrier around herself and push away the people who love her, but will there be anyone left to help her when she needs them most or has she burnt all of her bridges forever? Warning: This is a fast pace MC romance with colourful language, violence, and hot love scenes. Note to readers: This book includes violence and sexual content. If you think these topics will offend you, please do not purchase. This is not your normal MC series. The Aces are an MC with alpha males, but the members do not shy away from the fact that they are husbands, fathers, and lovers with feelings. If you don't like a biker who cares and respects the women in his life, then this isn't a book for you. I want to take the time to mention that I'm from the United Kingdom and use UK spellings. This book is a standalone story. However, to receive the full experience of the ACES MC Series, it is recommended to read the stories in the following order: Diesel Book 1, Duke Book 2, Paige and Chloe Book 2.5, Spike Book 3, Amy Book 3.5, Locke Book 4, Jayden Book 4.5, Woods Book 5, Cade Book 5.5, CJ Book 6. **Cade** Aimee-Louise Foster, 2017-09-30 Lost in a system full of predators that were waiting for opportunities to take advantage is how Cade lived his early childhood, but he was a fighter, a survivor, and wasn't to become a victim or another statistic on some social workers' report. Cade fought the system that put him in care every step of the way. It made him the young man he is today, but that freedom comes with a price. Coping mechanisms have helped him to deal with his daily routines, life is on the up with a job at the club and Paige by his side, but his past soon catches up with him. The pain and loss he hoped to forget comes flooding back, leading him on a mission of self-destruction. Cade reunites with Jazz, a friend from the children's home, and is sickened by the revelations. He conducts his own investigation and finds that the men who hurt him and murdered his best friend are now within his reach. The most dangerous creation of any society is the man who has nothing to lose. Cade wants to now face his demons and right the wrongs of his past, but will this be at the detriment of his relationship with the club and his sponsor Hound, or can Paige convince the man who saved her that he still has the chance to build a happy, fulfilling life with her if only he lets it? High drama, violence, and angst, but most importantly, have a box of tissues at hand. Warning: This is a fast pace MC romance with colourful language, violence, and hot love scenes. Note to readers: This book includes violence and sexual content.
