## Poetry & Nonfiction Passages

**Perspectives on History: Compare Two Texts**

Read the poem "The New Colossus" and the article "A Liberty History." Then, answer the questions below.

**A Liberty History**

The Statue of Liberty is one of the most familiar symbols of America, and Liberty Island in New York's most visited tourist destinations. Did you know that this American icon named Liberty Enlightening the World, was a birthday gift from France?

The Liberator, a French anti-slavery newspaper, had been publishing the statue's design since 1830. The statue was chosen to be a symbol of freedom and justice for the new nation. The statue's design was chosen to be a symbol of freedom and justice for the new nation. The statue's design was chosen to be a symbol of freedom and justice for the new nation.

**The New Colossus**

By Emma Lazarra

I wrote this poem in 1893 as a response to a call for the construction of the base of the Statue of Liberty. The poem was later engraved on the statue's pedestal.

Not like the brazen giant of Greek fame,  
With conquering limbs astride from land to land;  
Here at our sea-washed, sunset gates shall stand  
A mighty woman with a torch, whose flame  
Is the imprisoned lightning, and her name  
Mother of Exiles. From her beacon-hand  
Glowed world-wide welcome, her mild eyes command  
The unbridged harbor that fair cities frame

**Graphic Organizer**

Lines 1-5	Lines 7-10
What does the poet describe the statue?	What does the poet describe the statue?
What does the statue speak, and what does it represent?	What does the statue speak, and what does it represent?

**PDF & Digital**
