The 31-Day Paleo Diet Challenge with Cast Iron Skillet Recipes Andrea Libman, 2015-06-22 Are you ready for the challenge This book contains more than 31 recipes that you can choose from each recipe is paleo diet friendly and is best cooked with an iron cast skillet If you have always wanted to try the paleo diet then what better way to start by test running the diet with one paleo recipe a day Paleo diet is one of the most popular and practiced diets today It may be the diet used by our cavemen ancestors thousands of years ago but it is gaining recognition today because of the benefits for our health and well being It can lower the risk for various diseases and increase the resistance of your immune system By using protein rich natural ingredients and paleo friendly alternatives you can have a diet that has all the advantages of diets today without the many drawbacks It can reduce fat while creating building mass It is healthy without sacrificing flavors Ingredients are available in your average grocery and supermarket This book contains a wide range of recipes for beef chicken fish seafood even breakfasts snacks and desserts Aside from that it will provide you with other food options that are still paleo friendly Useful tips on taking care of your skillet are also included in the last section Whether you are a beginner or already a paleo diet aficionado this book will provide you with old recipes our Paleolithic ancestors once ate but with a twist that will satisfy your modern palates Begin your Paleo Diet adventure Start your day right with your first paleo home cooked iron cast skillet recipe

Cast Iron and Dutch Oven Cookbook Andrea Libman, Roberta Wood, 2016-02-19 The idea of cooking in a Dutch oven is quickly becoming a lost art The ability to mimic the skills needed to create recipes in a cast iron pot heated over hot coals is not seen very often today Yet only with that style of cooking can you duplicate the unique flavors and mouth watering meals that dominated the lives of people several generations removed Today most of us cook indoors in electric or gas powered stoves and newfangled kitchen gadgetry and the true art of meal preparation mingled with the natural environment has been pushed aside and left to the likes of outdoorsmen campers and perhaps a few hobbyists on the side But you'll quickly find out through the pages of this book that you're missing out on some delightful treats and a great deal of fun at the same time Paleo diet is one of the most popular

and practiced diets today It may be the diet used by our cavemen ancestors thousands of years ago but it is gaining recognition today because of the benefits for our health and well being It can lower the risk for various diseases and increase the resistance of your immune system By using protein rich natural ingredients and paleo friendly alternatives you can have a diet that has all the advantages of diets today without the many drawbacks It can reduce fat while creating building mass It is healthy without sacrificing flavors Ingredients are available in your average grocery and supermarket This book contains a wide range of recipes for beef chicken fish seafood even breakfasts snacks and desserts Aside from that it will provide you with other food options that are still paleo friendly Useful tips on taking care of your skillet are also included in the last section
