Palgrave Dictionary Of Public Order Policing Protest And Political Violence

Chris Richardson

Palgrave Dictionary Of Public Order Policing Protest And Political Violence:

Palgrave Dictionary of Public Order Policing, Protest and Political Violence P. Joyce, Neil Wain, 2014-11-04 Protest and political violence are concerns of global importance in the twenty first century This dictionary brings together in one comprehensive volume a number of key issues relating to the conduct of protest and political violence and the response of the state and police to such activities

Protest Policing and Human Rights Michael Smith, 2022-12-30 This book examines protest policing and the toolbox of options available to police commanders in response The right to peacefully protest is intrinsic to democracy and embedded in British history and tradition The police are responsible for managing public order and facilitating peaceful protest and this has not been without criticism On occasions the police have found themselves in opposition to protest groups and there have been incidents of disorder as a result In response the development of Police Liaison Teams in the UK has presented the police with a gateway for dialogue between themselves and those involved in protest Drawing on two contrasting case studies the policing of the badger cull in South West England and an English Defence League EDL march in Liverpool this book explores the experiences of police commanders police liaison officers protesters counterdemonstrators members of local businesses and other interested parties It explores how a dialogical approach with all those engaged in or affected by a protest has assisted the police in balancing human rights and reducing conflict for all An accessible and compelling read this book will appeal to students scholars and practitioners of policing politics criminology sociology human rights and all those interested in how protests are policed

The Policing of Protest, Disorder and International Terrorism in the UK since 1945 Peter Joyce, 2017-02-06 This book examines the nature of protest and the way in which the police and state respond to the activities associated with this term Protest is explored within the context of the perceived decline in public engagement with recent general election contests It is often thought that protest is regarded as an alternative to or as a replacement for formal political engagement with electoral politics and this book provides a thoughtful assessment of the place of protest in the contemporary conduct of political affairs Analysing key forms of protest such as demonstrations direct action protest conducted within the workplace riots and terrorism this study also illustrates each of these activities with a wide range of examples of events that have taken place within the UK since 1945 It will be of keen interest to students of criminology criminal justice studies police studies and politics

Rewriting Children's Rights Judgments Helen Stalford, Kathryn Hollingsworth, Stephen Gilmore, 2017-11-02 This important edited collection is the culmination of research undertaken by the Children's Rights Judgments Project This initiative involved academic experts revisiting existing case law drawn from a range of legal sub disciplines and jurisdictions and redrafting the judgment from a children's rights perspective The rewritten judgments shed light on the conceptual and practical challenges of securing children's rights within judicial decision making and explore how developments in theory and practice can inform and re invigorate the legal protection of children's rights Collectively the judgments point to five key

factors that support a children's rights based approach to judgment writing These include using children's rights law and principles drawing on academic insights and evidence endorsing child friendly procedures adopting a children's rights focused narrative and using child friendly language Each judgment is accompanied by a commentary explaining the historical and legal context of the original case and the rationale underpinning the revised judgment including the particular children's rights perspective adopted the extent to which it addresses the children's rights deficiencies evident in the original judgment and the potential impact the alternative version might have had on law policy or practice Presented thematically with contributions from leading scholars in the field this innovative collection offers a truly new and unique perspective on children's rights

Racial and Religious Hate Crime Wendy Laverick, Peter Joyce, 2019-06-15 This book focuses on two key aspects of hate crime in the UK since 1945 those motivated by racial and religious prejudices It examines factors that have underpinned the emergence and occurrence of racial and religious hate crime and the approaches and policies that have been pursued by the state especially the criminal justice system to combat this problem Crucially it also provides insight into the challenges that are faced in the contemporary period especially in the wake of the 2016 EU referendum in combatting hate crime Additionally the book briefly considers the importance of the rhetoric of the Trump campaign and the administration's early policies to the contemporary manifestations of racial and religious hate crime

Violence in American Society Chris Richardson, 2020-08-11 While many books explore such specific issues as gun violence arson murder and crime prevention this encyclopedia serves as a one stop resource for exploring the history societal factors and current dimensions of violence in America in all its forms This encyclopedia explores violence in the United States from the nation's founding to modern day trends laws viewpoints and media depictions Providing a nuanced lens through which to think about violence in America including its underlying causes its iterations and possible solutions this work offers broad and authoritative coverage that will be immensely helpful to users ranging from high school and undergraduate students to professionals in law enforcement and school administration In addition to detailed and evenhanded summaries of the key events and issues relating to violence in America contributors highlight important events political debates legal perspectives modern dimensions and critical approaches This encyclopedia also features excerpts from such important primary source documents as legal rulings presidential speeches and congressional testimony from scholars and activists on aspects of violence in America Together these documents provide important insights into past and present patterns of violent crime in the United States as well as proposed solutions to those problems

The Prevent Strategy and Right-wing Extremism Craig J.J. McCann, 2019-04-05 In 2011 the U K Government reviewed its counter terrorism Prevent Strategy to include all forms of extremism with an emphasis on right wing extremism This book written by the former Head of Strategy and Policy at the Office of the National Coordinator for Prevent provides the most detailed assessment yet of this shift in emphasis It explores how the inclusion of right wing extremism within the counter terrorism Prevent Strategy impacted local responses to the

English Defence League This is explored through numerous interviews and several case studies which were carried out by the author while he was serving as a senior police officer within the Counter Terrorism Command of the Metropolitan Police Service The book balances empirical research with practical recommendations for policymakers and practitioners from a unique insider perspective This book will be of appeal to an array of audiences including scholars and students of Terrorism Studies professionals working in the areas of counter terrorism public order policing and the promotion of community cohesion and to those who have an interest in wider non political responses to right wing extremism *Criminology, Crime and Justice in Ireland* James Windle,Orla Lynch,Kevin Sweeney,Maggie O'Neill,Fiona Donson,James Cuffe,2022-10-11 This book offers an accessible and comprehensive introduction to criminology in Ireland Logically structured and clearly written this book explores theory and empirical research through real life examples from an Irish context Engaging and challenging this book encourages critical thinking about and understanding of crime and crime control in Ireland North and South The book covers the canon of criminological theory from classical and psychological approaches right through to the contemporary It offers an overview of the Irish criminal justice system including the police prisons and alternatives to punishment It covers key criminological themes such as victims and victimology gender the drug trade and its regulation terrorism and political violence and desistance and the life course Key features include Critical assessment of key criminological theories which are later woven into discussions of key thematic areas Case studies of historical and contemporary Irish events including the Magdalene Laundries gangland feuds and the decriminalisation of drugs Extensive reading lists of key academic texts and relevant Irish literature movies music and art This book is the only comprehensive criminology textbook specifically designed for the Irish undergraduate curriculum It is essential reading for all criminology students in the Republic of Ireland and Northern Ireland and will also be of interest to postgraduates and academics looking for an overview of Irish Criminology *Politics: A Complete Introduction: Teach Yourself* Peter Joyce,2015-04-23 This is your go to guide to politics As the UK gears up for a snap general election on the back of a hotly contested and divisive referendum there has never been a better time to discover more about politics and how it works *Politics A Complete Introduction* explains everything you need to know giving you a comprehensive and easy to understand introduction to a complex subject Inside you will learn about different political ideologies and systems referendums elections and electoral systems political parties and party systems protest the media and politics constitutions and human rights what the courts do and how the machinery of government is organised It also covers the nation state in the modern world and international terrorism *Politics A Complete Introduction* is a jargon free guide that will get you informed fast *Criminal Justice* Peter Joyce,Wendy Laverick,2022-07-29 This book offers a comprehensive and engaging introduction to the criminal justice system of England and Wales Starting with an overview of the main theories of the causes of crime this book explores and discusses the operation of the main criminal justice agencies including the police probation and prison services and the legal and youth

justice systems The fourth edition has been revised updated expanded and features a new expert co author This book offers a lively and critical discussion of some of the main themes in criminal justice from policy making and crime control to diversity and discrimination to the global dimensions of criminal justice including organised crime and the role performed by transnational policing organisations to combat it Key updates to this new edition include increased discussion of the measurement prevention and detection of crime a revised chapter on the police which discusses the principle of policing by consent police methods power and governance and the abuse of power further discussion of pressing contemporary issues in criminal justice such as privatisation multi agency working community based criminal justice policy and the impact of the Covid 19 pandemic on the delivery of criminal justice policy a revised chapter that deals in detail with new and emerging forms of criminality and the response of the UK and global criminal justice system to these developments This accessible text is essential reading for students taking introductory courses in criminology and criminal justice A wide range of useful

features include review questions lists of further reading timelines of key events and a glossary of key terms **Making**

Youth: A History of Youth in Modern Britain Melanie Tebbutt, 2017-09-16 This new study explores how British youth was made and how it made itself over the nineteenth and twentieth centuries Urbanisation and industrialisation brought challenges that altered how young people were both perceived and understood As adults found it difficult to comprehend the rapidity of societal change focus on the young intensified and they became a symbol of uncertainty about the future Highlighting both change and striking continuity Melanie Tebbutt traces the origins and development of key themes and debates in the history of modern British youth Current issues such as the ageing of western societies high levels of youth unemployment and the potential for social and political unrest make this a timely study *Reporting Political Islam and*

Democracy Mohammed-Ali Abunajela, Nael Jebril, 2020-05-14 For over a decade Al Jazeera Arabic occupied an unprecedented position among Arab audiences and families Its attractive and daring news coverage has inspired millions of Arabs and led other news channels to follow suit by changing their reporting narrative and presentational style However in the aftermath of the Arab uprisings in 2011 the close adoption of the Arab uprisings in general and the Egyptian one in particular made the channel fall into the eye of the public storm through its extensive 24 hour coverage This book assesses whether the channel systematically provided a platform for certain ideologies or ignored others and if and how Al Jazeera s language had shifted after the 2011 Arab uprisings It also explores the rationale behind adopting particular editorial principles featured in the analyses and scrutinises the findings within the framework of media religion and democratisation *A Companion to State*

Power, Liberties and Rights Morley, Sharon, Turner, Jo, Karen Corteen, Paul Taylor, 2017-02-15 This handbook sets out defines and analyzes the essential vocabulary and terminology involved in the study of state power individual liberties and rights As part of the Companions series it is organized alphabetically taking up and defining key topics in these areas particularly as they relate to the study of crime and harm Topics addressed include state and corporate crime terrorism security risk

legislation and policy human rights and civil liberties policing punishments and detention surveillance and regulation and many others Accessible yet challenging the book will be useful for both undergraduates and graduate students working in criminology criminal justice international relations political science and other fields **Criminology and Criminal Justice** Peter Joyce, 2018-04-20 A broad and comprehensive guide to the study of criminology and criminal justice at undergraduate level this book is essential reading for new students Assuming no prior knowledge it offers an essential overview to key themes and issues brings together theory with practice and provides useful hints and suggestions for developing the skills required to see you on your way throughout your degree Features of the book include A detailed discussion of the study of criminology and criminal justice in Higher Education An overview of theories of crime and deviance A discussion as to why and how we punish offenders An exploration of the criminal justice system in England and Wales A guide to criminological research and the methods and concepts involved Examples of original sources in criminology including key websites Tips and advice on skills in criminology and criminal justice including referencing and the presentation of written work A full glossary of key terms The new edition has been fully revised and updated and includes a new chapter on theories and explanations of punishment Each chapter includes a series of Taking It Further exercises to encourage well developed essays and critical thinking They culminate in a final chapter offering guidelines as to how these exercises might be answered This book is indispensable for the criminology undergraduate and a benchmark for academic success **Arise** Jane Holgate, 2021-08-20 Jane Holgate is a brilliant thinker Jane McAlevey In Arise Jane Holgate argues that unions must revisit their understanding of power in order to regain influence and confront capital Drawing on two decades of research and organising experience Holgate examines the structural inertia of today's unions from a range of perspectives from strategic choice leadership and union democracy to politics tactics and the agency afforded to rank and file members In the midst of a neoliberal era of economic crisis and political upheaval the labour movement stands at a crossroads Union membership is on the rise but the turn to organising has largely failed to translate into meaningful gains for workers There is considerable discussion about the lack of collectivism among workers due to casualisation gig work and precarity yet these conditions were standard in the UK when workers built the foundations of the 19th century trade union movement Drawing on history and case studies of unions developing and using power effectively this book offers strategies for moving beyond the pessimism that prevails in much of today's union movement By placing power analysis back at the heart of workers struggle Holgate shows us that transformational change is not only possible but within reach **The Animals' Freedom Fighter** Jon Hochschartner, 2017-04-24 Founded in the 1970s and today active in more than 40 countries the Animal Liberation Front has in recent years been considered a domestic terrorist group by both the FBI and the Southern Poverty Law Center despite the ALF's official stance of nonviolence A clandestine phantom cell organization the ALF has functioned as a sort of Underground Railroad for captive animals executing raids and attacks on animal testing facilities Yet little has been written about the

group or its founder With unprecedented access by the author this book tells the story of Ronnie Lee the unassuming British activist who launched an extremist movement that continues to use intimidation and economic sabotage to advance its cause

Police Response to Riots Garth den Heyer, 2019-11-13 This book is a study of the response that the police take to modern urban riots It takes a principally police perspective on the lead up to a riot the police response and the evaluation of the police response The book is based on the development and analysis of four extensive case study riots France 2005 London 2011 Ferguson 2014 and Baltimore 2015 The methodological approach to the case studies is comparative and includes an interactive framework that incorporates a number of key variables These variables examine how each riot began how they developed the response strategies and tactics used by the police and how the riots eventually ended The first section looks at defining riots and examines the riot literature and research to date The second section analyses the current police response to rioting The third and final section includes an analysis and comparison of the case study riots along with an examination of how the police response to riots could be improved With its focus on police practices this unique volume will be useful for researchers students police law enforcement and policy makers Forthcoming Books Rose Army, 2003 Choice, 1989

Collective Violence, Democracy and Protest Policing David Mansley, 2013-10-08 In this book David Mansley argues that the frequency with which violence intrudes on to the streets is related to both how society is governed and how it is policed With the help of an innovative methodology he quantifies and tests three variables collective violence democracy and protest policing using protests in Great Britain in 1999 2011 for his sampling frame The result is the design of new tools of measurement and a harvest of new data including previously unpublished details of banning orders and riot damages that enable us to reflect with the benefit of broad sociological perspective on the causes of contemporary violent events Mansley's explanation of the trends he identifies draws from the work of the best thinkers on violence especially Charles Tilly Thomas Hobbes and Norbert Elias He shows how the style of protest policing and the depth of democracy both of which function under the direction of the political economy are crucial to the state's credentials as the monopoly supplier of legitimate violence His discussion touches on such current topics as the institution of police commissioners the privatisation of policing duties and the decline in homicide This cultured study which includes an engaging review of the existing scholarship on violence is essential material for undergraduate and postgraduate students reading criminology sociology or political theory

Getting the books **Palgrave Dictionary Of Public Order Policing Protest And Political Violence** now is not type of challenging means.
