The Textual Life of Airports Christopher Schaberg, 2012-02-02 From the earliest airfields to the post 9 11 turn this book investigates how airports figure in the American cultural imagination

Cake or Death Heather Mallick, 2011-04-13 A brilliant new book from one of Canada's most popular columnists a no holds barred riposte to the mess we've made of things Mrs Tittlemouse is heaven in a sponge mop I read Beatrix Potter's books as a child and love her paintings her stories her home boiling of squirrels so her watercolours could be anatomically exact But most of all Beatrix Potter made domesticity desirable All right she didn't but she domesticated me Personal order has become my badge and it's the only thing that really works with melancholy Heather Mallick is sorely disappointed The world has not turned out quite the way she had hoped it would But rather than retreat from it she takes the world head on fearlessly and formidably on her own terms In a new work of entirely original writing we have Heather unplugged some might even say unhinged and uncensored from the restrictions of her Globe and Mail column writing As her many fans have come to expect from her she is incisive and outrageous whether she's cataloguing the many situations and items in our daily lives that we are told we should fear teaching us how to cope with people we just can't stand ruthless mockery is the key really says Heather or writing about the valuable life lesson to be learned from one of her childhood heroes Mrs Tittlemouse the original domestic goddess A candid reflection on the complicated state of our lives and our world today viewed through the lens of Heather's inimitable wit and outlook on life *Cake or Death* The Excruciating Choices of Everyday Life will provoke and delight readers

A Cross Section of Psychological Research Andrea Milinki, 2016-09-01 First Published in 2006 This book is designed for students who are learning how to evaluate published psychological research The 41 research articles in this collection provide the stimulus material for such a course
