Transforming Austen Hartke,2018-04-07 In 2014 Time magazine announced that America had reached the transgender tipping point suggesting that transgender issues would become the next civil rights frontier Years later many people even many LGBTQ allies still lack understanding of gender identity and the transgender experience Into this void Austen Hartke offers a biblically based educational and affirming resource to shed light and wisdom on this modern gender landscape Transforming The Bible and the Lives of Transgender Christians provides access into an underrepresented and misunderstood community and will change the way readers think about transgender people faith and the future of Christianity By introducing transgender issues and language and providing stories of both biblical characters and real life narratives from transgender Christians living today Hartke helps readers visualize a more inclusive Christianity equipping them with the confidence and tools to change both the church and the world

Children, Sexuality, and the Law Sacha M. Coupet, Ellen Marrus,2015-05-22 American political and legal culture is uncomfortable with children s sexuality While aware that sexual expression is a necessary part of human development law rarely contemplates the complex ways in which it interacts with children and sexuality Just as the law circumscribes children

to a narrow range of roles either as entirely sexless beings or victims or objects of harmful adult sexual conduct so too does society tend to discount the notion of children as agents in the domain of sex and sexuality Where a small body of rights related to sex has been carved out the central question has been the degree to which children resemble adults not necessarily whether minors themselves possess distinct and recognized rights related to sex sexual expression and sexuality Children Sexuality and the Law reflects on some of the unique challenges that accompany children in the broader context of sex exploring from diverse perspectives the ways in which children emerge in sexually related dimensions of law and contemporary life It explores a broad range of issues from the psychology of children as sexual beings to the legal treatment of adolescent consent This work also explores whether and when children have a right to expression as understood within the First Amendment The first volume of its kind Children Sexuality and the Law goes beyond the traditional discourse of children as victims of adult sexual deviance by highlighting children as agents and rights holders in the realm of sex sexuality and sexual orientation

Understanding Transgender Identities James K. Beilby, Paul Rhodes Eddy, 2019-11-05 One of the most pressing issues facing the evangelical church today involves dramatic shifts in our culture's perceptions regarding human sexuality While homosexuality and same sex marriage have been at the forefront there is a new cultural awareness of sexual diversity and gender dysphoria The transgender phenomenon has become a high profile battleground issue in the culture wars This book offers a full scale dialogue on transgender identities from across the Christian theological spectrum It brings together contributors with expertise and platforms in the study of transgender identities to articulate and defend differing perspectives on this contested topic After an introductory chapter surveys key historical moments and current issues four views are presented by Owen Strachan Mark A Yarhouse and Julia Sadusky Megan K DeFranza and Justin Sabia Tanis The authors respond to one another's views in a respectful manner modeling thoughtful dialogue around a controversial theological issue The book helps readers understand the spectrum of views among Christians and enables Christian communities to establish a context where conversations can safely be held

Case Studies in Clinical Practice with Trans and Gender Non-Binary Clients Lore M. Dickey, 2021-04-21 Exploring clinical examples of the lived experiences of trans people across the lifespan this unique and authoritative book addresses topics such as attending school puberty employment issues suicide bullying autism and intersecting identities Divided into three sections childhood adolescence and adulthood the book brings the case studies to life and dispels common myths by including short responses from leading professional experts By enabling a greater knowledge of work with trans people and therefore filling an important gap in available literature Case Studies in Clinical Practice with Trans and Gender Non Binary Clients allows mental health providers to understand the nuanced differences of handling clinical concerns for their trans clients

[A Brief Guide to Ministry with LGBTQIA Youth](#) Cody J. Sanders, 2017-09-04 Despite our best efforts to create welcoming and affirming congregations the reality is that church can still be a harmful place to LGBTQIA youth Inside A Brief Guide to Ministry with

LGBTQIA Youth author Cody J Sanders challenges pastors and church leaders to reflect on the various trials that adolescence brings for LGBTQIA youth Designed for congregations that currently have a theologically and biblically affirming stance toward the LGBTQIA community this unique resource provides insight and practical advice for tough questions like How does an affirming stance toward LGBTQIA people affect the day to day experience of teenagers in a church setting In what ways can a church s youth ministry have a positive impact on the lives of LGBTQIA youth who want to fully live out their Christian faith and their gender identity How can a pastor youth minister or youth ministry volunteer embrace nurture and provide skillful care for LGBTQIA youth in a congregation or community A glossary of terms to use when talking about LGBTQIA issues and a list of national and location resources that can be used to support LGBTQIA youth are included **Traversing**
