From Debt to Riches Phumelele Ndumo, 2011 From debt to riches will help you avoid getting into debt get out of debt and stay out of debt **HOW TO GET ENRICH OUT OF THE DEBT CYCLE** Hennie Reynders, 2014 How to manage money is probably something you need to learn from your parents the same way they taught you proper manners Unfortunately it is often in those early days of one's upbringing that things start going wrong Parents want to give their children nothing but the best and will go to extremes to give their children what they ask even if they know this is a waste of money Having money often turns into a matter of competition If I have more money than you then I am in a much better position than you In fact I may even be a much better person The idea that money makes you a quality person is as totally wrong as it is common the amount of money in your purse or your bank balance definitely does not determine your integrity or character **Fairness Compendium**, 2008-07 It is accepted practice that a dissenting stockholder is entitled to receive the intrinsic value of his share in a going concern Additionally while no one methodology represents the means by which to value what a stockholder is entitled to receive it is clear that a liquidation value is not appropriate in most going concern valuations **Enterprise**, 2006 **Credit Intelligence & Modelling** Raymond A.
