Trapped in Paradise: a Memoir Cindy Art, 2012-04-21 Memoir of the life of a student of the WWASP run Tranquility Bay and Spring Creek Lodge Programs Imagine what it would be like being taken from your home in the middle of the night by complete strangers Trapped in Paradise A Memoir details the history of a troubled teen and her inner struggle of being held against her will in the controversial Jamaica facility with little contact to the outside world The story details the life of the troubled teen prior to being sent overseas to a controversial reform school for two years The book has a great depiction of what it is like for a child to grow with physical abuse in a family whom also struggled to deal with mental illness Particularly obsessive compulsive hoarding addiction anxiety and severe depression While a majority of the subject matter of this book describes the experience of a teenager living in a very strict and confined environment of a program which targeted parents of troubled teens it also greatly describes the strained family relationship of the struggling family The tactics of WWASP programs are highly controversial Several methods used on children were similar to those which are used on prisoners of war Children are stripped of their identity have little to no choices to make in their daily lives and are broken down mentally to the point of where they have little choice but to comply Systematic propaganda and coercive persuasion are the main tools used on these teenagers mainly American to facilitate change in the subjects way of thinking and behavior The reader will get an accurate depiction of what the experience of living under these conditions was like for the teen without dramatization or embellishment While there is opinion communicated in the book the author wanted to leave the content as objective as possible as to give the reader the ability to form their own opinion on the subject matter The Troubled Teen Industry is still largely unregulated One of the main purposes of the Author writing this book was not only to let the thousands of others whom have gone through these sorts of programs to know they aren't alone but to also shed light onto important children rights issues which have largely been overlooked

Trapped in Italy: a Memoir Dr. Darleen Dansby, 2023-02-28 While enjoying a beautiful anniversary trip to Italy at the end of 2021 life for Darleen Dansby and her husband John changed in an instant One minute they were on a leisurely ride to the airport to complete routine testing The next minute they were thrust into the chaos of a COVID quarantine abroad While detailing the highlights of her life the choices that dictated her path and the faith that lifted her during challenging times Darleen shares a glimpse into how she and John became quarantined in Italy for COVID and ultimately realized that life is always bigger than the moment While in the midst of an unanticipated separation from family and all they loved Darleen takes others through their experiences in Italy detailing how they found gratitude through the chaos and how their adversity gently reminded them of the value of life and family Darleen's narrative is enhanced by thoughts from family members that help paint a beautiful picture of the important things in life and that all that really matters is God family and friends Trapped in Italy A Memoir is a beautiful story of personal discovery as an American and her husband faced the challenge of a COVID quarantine in a foreign country

Strangers in Paradise Paul

Christensen,2007 Weaving a fascinating dialogue between the Old World as represented by Provence and the New World of the postmodern American university this memoir describes in finely wrought detail a poet and critic of literary postmodernism moving his family to France and experiencing village life Stories of amazing adjustments to a wildly different world are etched in beautiful prose reading like a quest novel a precise travelogue an intense discourse on the visionary arts and a rediscovery if not reinvention of the self as this contemporary American intellectual finds enlightenment in exile A Stranger in Paradise Julie Chimes,2011-08-01 The remarkable memoir of healing and forgiveness from Julie Chimes who survived a horrific stabbing on her own driveway In 1986 Julie Chimes allowed an emotionally distressed acquaintance to wait in her cottage for Julie s doctor boyfriend to return Before he could the woman who was suffering from paranoid schizophrenia and unknown to all had stopped taking her medication attacked Julie with a carving knife This book describes what happened in detail and the long period of healing and coming to terms with the attack that followed Julie tells of her out of body experiences during the crisis as well as the dreams and premonitions leading up to it She describes what it feels like to die and then unforeseeably to live to tell the tale But most remarkably of all she tells of her hardest journey learning to forgive Pursuit of Paradise Georgene S. Dreishpoon,2010 In 1967 when Georgene Dreishpoon and her husband Irving read a National Geographic article about the Bahamas a mental seed was planted that would sprout seven years later when they embarked on an unforgettable and magical ferry ride to the island of Green Turtle Cay in the Bahamas In her fascinating memoir Pursuit of Paradise Dreishpoon shares her experiences as a member of an American family who sought a fishing retreat in the Bahamas and in the process discovered lifelong friendships and ultimately faced the fact that even in paradise the realities of life lurk in the background For sixty days a year the Dreishpoons left their life in America and lived on an island that captured their imaginations and their souls Through entertaining anecdotes Dreishpoon provides a glimpse into how her family immersed themselves in a new culture learned to communicate with local inhabitants and acquired a taste for new food all while cherishing their time together as they experienced a new adventure Pursuit of Paradise chronicles nearly twenty five years of amazing stories of one family s extraordinary experiences on a beautiful Bahamian island that affected their philosophy of living and loving forever In a Fool's Paradise L. Staunton Jr.,2013 The beautiful Hawaiian islands are the backdrop for this compelling true life story of a man trapped between the law and a life of drugs crime and murder The once hopeful heir to a family tradition of To Serve and Protect and how he spirals out of control His parents unconditional love used as a means to an end as they witness a son s gradual decline into the depths of hell This is an unflinching look at how an addict uses and abuses those around him ultimately destroying everything Staunton is a natural story teller and his authentic voice makes this dark tale bearable There is much to condemn here much to learn there is also redemption A brave look at the dark side the one we seldom let others see the one we can t bear to bring into the light of day I'll Build a Stairway to Paradise Mac Griswold,2022-11-15 I ll Build a Stairway to Paradise is like an exquisite string of pearls the perfect

Cinderland Amy Jo Burns, 2015-09-08 A riveting literary debut about the cost of keeping quiet Amy Jo Burns grew up in Mercury Pennsylvania an industrial town humbled by the steel collapse of the 1980s Instead of the construction booms and twelve hour shifts her parents generation had known the Mercury Amy Jo knew was marred by empty houses old strip mines and vacant lots It wasn t quite a ghost town only because many people had no choice but to stay The year Burns turned ten this sleepy town suddenly woke up Howard Lotte its beloved piano teacher was accused of sexually assaulting his female students Among the countless girls questioned only seven came forward For telling the truth the town ostracized these girls and accused them of trying to smear a good man s reputation As for the remaining girls well they were smarter They lied Burns was one of them But such a lie has its own consequences Against a backdrop of fire and steel shame and redemption Burns tells of the boys she ran from and toward the friends she abandoned and the endless performances she gave to please a town that never trusted girls in the first place This is the story of growing up in a town that both worshipped and sacrificed its youth a town that believed being a good girl meant being a quiet one and the

long road Burns took toward forgiving her ten year old self Cinderland is an elegy to that young girl s innocence as well as a praise song to the curative powers of breaking a long silence **Obituaries in the Performing Arts** Harris M. Lentz, 2006
