Passport Agent's Manual United States. Passport Services,1988 Foreign Service List United States. Department of State,1950 List for March 7 1844 is the list for September 10 1842 amended in manuscript **The Foreign Service of the United States, General Information and Pertinent Laws and Regulations, January 1, 1947** United States. Foreign Service,1947 Foreign Service Regulations of the United States United States. Department of State,1946 Foreign Relations Authorization for FY 2006-2007 United States. Congress. House. Committee on International Relations. Subcommittee on Africa, Global Human Rights, and International Operations,2005 HC 238 - Her majesty's passport Office: Delays in Processing Applications Great Britain: Parliament: House of Commons: Home Affairs Committee,2014-09-16

Applications for a passport are administered by Her Majesty s Passport Office HMPO This executive agency of the Home Office was established on 13 May 2013 At the beginning of June 2014 it became apparent that there were delays in the processing of passport applications Members of the public who did not contact their MPs were held in queues and their cases were not dealt with a sufficient level of service All applicants should be able to receive details of their applications regardless of whether they follow it up themselves or if it is followed up by their constituency MP A number of people have ended up out of pocket due to HMPO s inability to meet its service standard HMPO should compensate all those people who made an initial application on or after 1 May 2014 who subsequently upgraded to the fast track service and who met the criteria for the free upgrade which was later offered and the Home Office should remove the agency status from Her Majesty s Passport Office HMPO bringing it back under the direct control of Ministers **A Bibliography of Documents Issued by the GAO on Matters Related to ADP** United States. General Accounting Office,1982 **State Department: Transparent Cost Estimates Needed to Support Passport Execution Fee Decision ,** The future of the Newport Passport Office Great Britain: Parliament: House of Commons: Welsh Affairs Committee,2011-02-03 Newport Passport Application Processing Centre serves the whole of Wales and south west England It deals with 47 000 passport applications annually around 10 per cent of the national total The Identity and Passport Service IPS proposes to close the Passport Office at Newport with a loss of over 300 jobs although the Home Office announced that a customer service centre would be retained in Newport to service South Wales and the South West of England The piecemeal nature of the announcements suggests the lack of a co ordinated strategy regarding the future of the IPS in Wales The Office s significance to Wales and its value to the Welsh economy have not been truly appreciated by the Government No economic impact assessment of the proposal has been completed and the criteria on which the decision was based should be re examined The Newport Passport Office is the second largest employer in the city centre Its closure would have a significant economic impact on the city and would be a further blow for the Welsh economy The Committee is not convinced that long term savings will be made by reducing the size of the Office The IPS should on the contrary provide a detailed appraisal of the costs and benefits of consolidation and expansion as opposed to a

reduction of services Without the retention of the office in Newport the Government s duty to provide a Welsh language service to users may not be properly discharged **Immigration and Naturalization Service** United States.
