LISTENING TRANSCRIPTS

1.

- Man:** Well, I found the holiday of my dreams!
- Woman:** Oh no, not another one of your crazy trips.
- Man:** This one isn't crazy, it's educational. You can go with the The Great Canadian Adventure Company in a small research boat underwater to study the wreckage of the Titanic up close and personal!
- Woman:** Wow, that sounds exciting! You should go for it then.
- Man:** There's only one problem...
- Woman:** What's that?
- Man:** It costs \$40,000 to participate!

2.

- Woman:** Are you excited about flying to Australia?
- Man:** Of course. I've never been on a plane before.
- Woman:** Are you scared?
- Man:** Not at all. I'm really looking forward to it.
- Woman:** It'll be a long flight to Sydney. That will be a bit boring. Do you have any stops?
- Man:** Yes we stop in Dubai for a few hours.
- Woman:** Nice. You can do some shopping in the airport while you're waiting.

3.

- Man:** That's right. I need to change the date of the ticket. I need to be home earlier than the 25th. Is it possible to return on the 23rd? (pause) Hmm... that's too bad. I suppose I could do the 30th, if I can change the arrival date to the 15th. (pause) Really? Great, as long as I'm there five days, it doesn't really matter when I get there or leave. I still get the window seat, right?

4.

- Man:** I used the finger scanner at the supermarket the other day, it's really cool.
- Woman:** I read about those. They've been around for a while now. I still don't like the idea of a machine scanning your fingerprint. It's like someone is following your every move.
- Man:** But it's so convenient! It knows who you are, and takes the money right from your bank account. You don't need to carry money or anything with you ever again!
- Woman:** But isn't it dangerous?
- Man:** Of course not. It's easier for someone to steal your credit card than your fingerprint.
