Relentless horsepower and the lightweight Jato platform combine for a driving experience that is like no other. The explosive acceleration and extreme top speed are intended to test the reflexes of only the most skilled and experienced drivers. The included wheelie bar is mandatory equipment. The broad linear power output of TRX 3.3 Racing Engine delivers responsive, wheels-up power at almost any speed.

Jato 3.3's super sticky Anaconda® tires, installed swagbars, and 65-mph top speed give it real-world street performance that surpasses on-road only sedans. Plus, Jato isn't just limited to the asphalt. The stadium truck ground clearance and class-leading suspension travel allow you to drive up and over the curb for serious off-road performance through grass, dirt, gravel, or whenever your driving adventures take you. From the fully adjustable suspension to the super low cg-chassis design, unprecedented innovation and high-end racing features are evident throughout. Whether you're racing to win or just having fun, Jato's superior performance should deliver an exciting experience.

Jato is made to be a complete package that starts with the highest level of engineering and is equipped stock with the most powerful Ready-To-Race® smallblock engine available.
