Meenhans' Monthly, 1891 **Destination Dixie** Karen L. Cox, 2018-03-15 Once upon a time it was impossible to drive through the South without coming across signs to See Rock City or similar tourist attractions From battlegrounds to birthplaces and sites in between heritage tourism has always been part of how the South attracts visitors and defines itself yet such sites are often understudied in the scholarly literature As the contributors to this volume make clear the narrative of southern history told at these sites is often complicated by race influenced by local politics and shaped by competing memories Included are essays on the meanings of New Orleans cemeteries Stone Mountain Georgia historic Charleston South Carolina Yorktown National Battlefield Selma Alabama as locus of the civil rights movement and the homes of Mark Twain Margaret Mitchell and other notables Destination Dixie reveals that heritage tourism in the South is about more than just marketing destinations and filling hotel rooms it cuts to the heart of how southerners seek to shape their identity and image for a broader touring public now often made up of northerners and southerners alike **AN8 - Collection of**

Black Spartacus Sudhir Hazareesingh, 2020-09-01 Winner of the 2021 Wolfson History Prize Black Spartacus is a tour de force by far the most complete authoritative and persuasive biography of Toussaint that we are likely to have for a long time An extraordinarily gripping read David A Bell The Guardian A new interpretation of the life of the Haitian revolutionary Toussaint Louverture Among the defining figures of the Age of Revolution Toussaint Louverture is the most enigmatic Though the Haitian revolutionary s image has multiplied across the globe appearing on banknotes and in bronze on T shirts and in film the only definitive portrait executed in his lifetime has been lost Well versed in the work of everyone from Machiavelli to Rousseau he was nonetheless dismissed by Thomas Jefferson as a cannibal A Caribbean acolyte of the European Enlightenment Toussaint nurtured a class of black Catholic clergymen who became one of the pillars of his rule while his supporters also believed he communicated with vodou spirits And for a leader who once summed up his modus operandi with the phrase Say little but do as much as possible he was a prolific and indefatigable correspondent famous for exhausting the five secretaries he maintained simultaneously at the height of his power in the 1790s Employing groundbreaking archival research and a keen interpretive lens Sudhir Hazareesingh restores Toussaint to his full complexity in Black Spartacus At a time when his subject has variously been reduced to little more than a one dimensional icon of liberation or criticized for his personal failings his white mistresses his early ownership of slaves his authoritarianism Hazareesingh proposes a new conception of Toussaint s understanding of himself and his role in the Atlantic world of the late eighteenth century Black Spartacus is a work of both biography and intellectual history rich with insights into Toussaint s fundamental hybridity his ability to unite European African and Caribbean traditions in the service of his revolutionary aims Hazareesingh offers a new and resonant interpretation of Toussaint s racial politics showing how he used Enlightenment ideas to argue for the equal dignity of all human beings while simultaneously insisting on his own world historical importance and the universal pertinence of blackness a message which chimed particularly powerfully among African Americans Ultimately Black Spartacus offers a vigorous argument in favor of getting back to Toussaint a call to take Haiti s founding father seriously on his own terms and to honor his role in shaping the postcolonial world to come Shortlisted for the Baillie Gifford Prize Finalist for the PEN Jacqueline Bograd Weld Award for Biography Named a best book of the year by the The Economist Times Literary Supplement New Statesman
