He worked to bring forth the ideal of conservatism in America and successfully captured and isolated that belief in the presidency. As president, Reagan worked to bring the ideal of American exceptionalness back to the country, to set the economy on the right track, and to end the Communist threat that had been present since the end of World War II. For all practical purposes, Ronald Reagan was a president who accomplished more than he set forth to do and did so famously; some would say infamously. Nonetheless, Reagan accomplished more in his eight year presidency than most presidents of the 20th Century.

He is widely hailed as the man who ended the Cold War and will forever be remembered as the man who led to the conservative resurgence in America. The speech became one of Reggae's most fundamental speeches that completely changed his life. In his speech, Reagan presented the country with his ideals of a perfect country, supported by his conservative values. He also spoke about how America needs a strong national defense, a reduction of taxes, and the need to defeat the Communist threat in the Soviet Union.

He also stated, "We will preserve for our children this, the last best hope for man on earth, or we will sentence them to take the last step into a thousand years of darkness" (Reagan, "Speaking" 36). After his peach, Reagan was approached by many influential Republicans who urged him to run for Governor of California. His speech, on behalf of Barry Goldwater became one of his greatest triumphs. Reagan initially refused when he was asked to run for governor; nevertheless, many influential Republicans got together and formed a fundraising group called "Friends of Reagan. They raised a great deal of mone
