## **Roofer Roofing Training Course Manual Guide:**

The DPW/DEH Reference Book ,1996      The Commercial and Industrial Roof Repair Field Guide J. L. Foster,2014-02-06

If you are a Commercial and Industrial Level roof repairman this book is a must Manufacturers and producers of roofing materials show us only how to apply a patch not how to find the actual problem within a reasonable amount of time so the proper repair can be made This field guide teaches investigative solutions for roof related problems in a professional and complete manner There is not a single field guide in the world that covers such a complex subject with so many variables and possibilities You will learn how to solve simple roof related issues quicker and be more certain about non roof related issues that mimic a roof leak If you wish to increase your understanding of the craft and have more options this field guide is for you
