What Rosetta Stone Italian Won't Tell You - Learn That Language Now Robertson Kunz, 2013-11

Want to learn the quickest easiest and most efficient way to learn a language to fluency Don't waste any more time and money with classes textbooks audio courses computer programs and other materials until you have read this Coming from 10 years of experience and having already shown thousands of language learners the right way to learn languages Read on to learn the secrets they don't give you in class Life is good for me I am fluent in several languages and conversational in many more I have friends I speak to on a daily basis who don't speak a word of English My language ability has opened career doors and made immediate friends out of strangers Better yet I receive enjoyment out of using my languages daily in meeting people watching movies and reading my favorite books How was I able to learn a foreign language so fluently in such a short period of time Let me give you a hint it's not because I'm a genius spend 10 hours a day studying or have some gift for learning languages It's because I developed a METHOD that will allow you to IMMEDIATELY Learn new words and phrases quicker than you ever have before and not worry about forgetting them Speak without a single error Natives will be scratching their heads wondering why you speak so much better than the other foreigners Be able to study the language without getting bored ever No more painful language learning Become fluent quicker than anyone you know I'm sure you know of people who have studied a language for a couple or more years Now you can be fluent well within that time Surprisingly the best easiest and quickest way to learn a language is not written in those textbooks audio programs computer programs or other materials In fact most of the time they advocate a painful hard way to get to fluency What I've learned in the past 10 years is it doesn't have to be painful or long This isn't to say those materials are completely useless but if you want to gain from them as quickly and efficiently as possible you need to incorporate them into a larger plan I wrote this book to stop others from making the same mistakes I did when I started to learn languages I wrote it to show the fastest quickest and most efficient way to learn languages so that you don't waste a single minute or dollar I've read a lot of material about language learning and used a lot of different methods I've discovered what works and what doesn't Everything I've written in my book is the tips secrets and method that I've found to actually work to get me to fluency in the shortest period of time You won't find any ridiculous ideas here like subliminal learning while you sleep Everything here has been tested by me from scratch and is from real world experience I have personally invested 10 years and thousands of dollars on learning the best most efficient way to learn languages I wish that I could have been able to buy the knowledge and information presented in this book when I first started out It could have saved me a lot of trouble time and money Many people waste thousands of dollars or more on audio programs textbooks classes and other language learning materials What if this book saved you from wasting money on even one of those If this book saved you even just one hundred hours of studying what would that be worth to you Probably a lot more than the cost of this book A lot of people start out learning a language and then give up somewhere in the middle never

reaching fluency and wasting all the energy time and money they spent getting somewhere in the middle Make sure you are not one of those people and invest today to discover what really works and how you can get to fluency quickly and efficiently

W. Caldwell,2009-04-29 With this book change has come to foreign language teaching The mother tongue taboo which has been the perceived didactical correctness for so many years and in so many countries is swept away At the same time this book combines theory with practice advice and guidance to teachers Since the mother tongue issue touches upon all the major domains of teaching vocabulary grammar texts communication emotional aspects a new synthesis of theory and practice has been developed An invaluable resource both for the novelty and diversity of the teaching techniques presented and for the clarity of its writing **The Rosetta Stone** ,1998 A beginner level Italian language course featuring graphics sounds and text presented in progressively more challenging tutorials Includes dictation and voice recording capabilities and thousands of spoken phrases Contains the first 22 chapters from the 92 chapter Level I course **A Creative Learning Approach to Italian: 2670 Unique Language Exercises** Rosetta Wilkinson,2021-08-05 Italian as it Should be Taught The direct approach does not always work especially in something that is universally useful but imperfectly taught like language learning In this book I present a unique approach to learning one of the world's most interesting and beloved languages Italian through a series of cleverly customized exercises It is definitely not trivial to get really good at a language even if you are a native speaker Italian is definitely one of those languages that might seem simple on the surface but definitely is not trivial to completely master This book will help The questions in this book have been selected to strengthen your Italian vocabulary step by step No matter what level you are at you will be able to get something from this book you will get a little bit better with every challenge you overcome This book is unique in that it helps people who are already fluent in Italian to improve their language skills further and it helps people who are learning Italian solidify the common words that they need to know for sure There are many apps and games that help us learn languages in a fun and exciting way From the gamification inherent in apps like Duolingo and Rosetta Stone to more traditional approaches in brick and mortar language classes language learning has always seen a variety of pedagogical approaches This book offers an interesting and successful new take on the age old problem of building up one's vocabulary in a new language quickly and at minimal cost Learning Italian has many aspects it is important to learn basic grammar and sentence structure It is also very important to have a large bank of words to draw from so that you can understand all the important parts of a conversation and also so that you can read a book or watch a movie and follow most of what's going on without needing to use a dictionary or rely too heavily on the subtitles Within this book you will learn hundreds of new Italian words through the medium of multiple fun and engaging word game formats The book can be read in two ways it can either be approached as a serious puzzle book by

people who are 3 12 months into a Italian course and are looking to take their vocabulary size to the next level in a way that is more interesting and entertaining than the tried and tested method of going through a dictionary and memorizing word after word It can also be used by people who are just starting off on their Italian journey I have provided the meanings in English of every Italian word featured in this book this will help any reader go through the answers and learn the words before going back to the questions after a while and trying to guess those words in a different order All the very best
