engaging word game formats The book can be read in two ways it can either be approached as a serious puzzle book by people who are 3 12 months into a Italian course and are looking to take their vocabulary size to the next level in a way that is more interesting and entertaining than the tried and tested method of going through a dictionary and memorizing word after word It can also be used by people who are just starting off on their Italian journey I have provided the meanings in English of every Italian word featured in this book this will help any reader go through the answers and learn the words before going back to the questions after a while and trying to guess those words in a different order All the very best
