

The Bachelor — Royal Edition

Although William, like most college kids, raised a pint or two at local pubs while at St. Andrews, "I'm not a party animal, despite what some people might think," he told Britain's Press Association. Often in his company was Kate, yet their relationship wasn't "official" until 2004. Most of William's public appearances, with or without Kate, were for royal occasions, charity events or the various humanitarian causes he still supports — following in the footsteps of his late mother, Princess Diana. For the time being, technically speaking, he remained one of the world's most eligible bachelors.
