Doyle,Liam O'Callaghan,2019 This is a comprehensive and nuanced historical survey of the death penalty in Ireland from the immediate post civil war period through to its complete abolition Using original archival material this book sheds light on the various social legal and political contexts in which the death penalty operated and was discussed In Ireland the death penalty served a dual function as an instrument of punishment in the civilian criminal justice system and as a weapon to combat periodic threats to the security of the state posed by the Irish Republican Army IRA Through close examination of cases dealt with in the ordinary criminal courts this study elucidates ideas of class gender community and sanity and explores their impact on the administration of justice The application of the death penalty also had a strong political dimension most evident in the enactment of emergency legislation and the setting up of military courts specifically aimed at the IRA As the book demonstrates the civilian and the political strands converged in the story of the abolition of the death penalty in Ireland Long after decision makers accepted that the death penalty was no longer an acceptable punishment for ordinary cases of murder lingering anxieties about the threat of subversives dictated the pace of abolition and the scope of the relevant legislation **An Introduction to the Procedure of the House of Commons** Gilbert Francis Montriou Campion Baron Campion,1929 **Heraldry in Scotland - J.
