Ride Captain Ride:

Double Trouble Greil Marcus, 2001-09-22 In June of 1992 when all the polls showed that Bill Clinton didn't have a chance he took his saxophone onto the Arsenio Hall show put on dark glasses and blew Heartbreak Hotel Greil Marcus one of America's most imaginative and insightful popular culture critics was the first to name this as the moment that turned Clinton's campaign around and to make sense of why *Double Trouble* draws on articles Marcus published from 1992 to 2000 to explore the remarkable and illuminating kinship between Bill Clinton and Elvis Presley and moreover to explore how culture is made and shared in today's America and how through culture people remake themselves *Double Trouble* is a unique and essential book about the final years of the twentieth century This edition also includes a new essay Marcus wrote just before the 2000 presidential election an eerily prescient piece that looks forward to two very different futures for ex-President Bill Clinton

something different You will find no references to potions poppets or pendulums nor shall you find illustrations of magic squares voodoo verfers or Enochian script Incantations folk magic numerology and the Seals of Solomon have also been excluded from this work What then remains Quite simply a magical philosophy which can be applied with great success by students at any level of advancement Great emphasis has been placed upon self knowledge and common sense secrets have also been divulged as to various tried and true methods which will enable a besieged magician to kick the boogymans ass Although presented as a work of fiction this extensively researched text contains within it a great deal of occult Truth and it is highly entertaining as well The author is clearly either a genius or a madman perhaps both *Hammonasset Wild Child* Daniel R. Young, 2014-02 This collection of 150 daily devotionals came into existence at Houston Methodist Willowbrook Hospital Ideas and stories may have taken flight somewhere along the way but ultimately they were generated from the spiritual care office usually early in the mornings What started as a monologue quickly turned into a dialogue as staff and then guests and patients began picking them up and responding turning them into holy conversations While some of the stories are hospital based the vast majority came out of author Mark H Young's life experiences illustrating that God's footprints are truly everywhere While brief by intention to offer the reader a quick glance while on the clock it also provides a deeper reflection about the holy and wonderful God in our midst From outer space to the human race there is something for anyone wanting to ponder the reality of a God who loves us **Space Christals : Revised Edition** Agnew T. (Goldwater) Pickens, 2013-04-04 Based on a hamster's two year project to consider the past live in the present and try to not worry about the future *When Life Was Egg Creams and Baseball Teams* Craig Howard, 2007-02 Remember when life was so much simpler I loved to listen to stories of how my parents and grandparents grew up and what life was like in their times I enjoyed this so much that I decided to tell the story of my childhood a time when life was simpler and less pressured when families were closer and spent more time together when people were less materialistic when kids could play outside alone and families could leave their doors open without concern A time when neighbors took care of each other's kids without being asked or being paid and sports stars and movie stars plied their trade for love of what they did not how much they got paid and when a boy's life revolved around egg creams and baseball teams I know that we can only keep the past alive in our memories our hearts and in our stories but as we share these stories not only with each other but also with the youth of today we have the hope that sharing these stories with those who will have the power to shape the future will convince them to keep some of the more
