first opportunity they seized Roman officers as hostages then demanded return of their own hostages in exchange When Publius Crassus rejected their demands the Gauls revolted The Fourth Part of Gaul is the story of that revolt as experienced by Marcus Brutus Pontus a young tribune and staff officer one of the hostages taken by the Gauls His captors place the inquisitive young officer in the hands of a Veneti magistrate for safekeeping This assignment insures him a unique position from which to view the spread of the insurrection and the huge naval battle between the Gaulish sailing fleet and Caesar s Roman galleys Marcus narrowly escapes death during the catastrophic defeat of the Gauls In the aftermath of the battle many Gauls fleeing Caesar s wrath sail for Britain while a small party of five ships crammed with families and soldiers sails west on the Atlantic Led by a Greek pilot they follow a long forgotten Carthaginian trade route taking with them their captive tribune In the course of the long voyage Marcus learns to navigate and handle the ship His developing relationship with the sister of the expedition s leader involves him increasingly in the struggle of the expedition to survive the frigid winter and treacherous attack on their settlement at the mouth of the Connecticut River By spring the Gaulish leaders come to see their Roman hostage as the essential key to their survival in the hostile environment of the new land They themselves have become uniquely dependent on the hostage they have taken
