Organizational Behavior and Management in Health and Medicine James K. Elrod, John L. Fortenberry, Jr., 2024-07-10 This comprehensive textbook on healthcare organizational behavior and management uniquely bridges theory and practice directing significant attention toward operationalization in health and medical settings This blend of theory and practice differentiates the content of this book from that of related academic and professional books that tend to discuss theory at length with limited attention being directed toward practical applications This approach ultimately affords readers with a working knowledge of the subject matter which must be mastered to successfully operate healthcare organizations and a real world skill set for use in practice The contents of the text encompass a fairly broad spectrum of organizational behavior and management within the context of the healthcare industry and its associated organizations Among the topics covered Leadership in Health and Medicine Motivation in Health and Medicine Communication in Health and Medicine Strategy in Health and Medicine Ethics and Social Responsibility in Health and Medicine Organizational Culture in Health and Medicine Groups and Teams in Health and Medicine Power and Politics in Health and Medicine Beyond its efficient presentation of core facets of organizational behavior and management the book features practical insights in each chapter from the authors experiences as leaders at a health system These passages share real world insights often involving unique applications innovative thinking and other creative perspectives from practice These viewpoints are invaluable for helping readers to ground the theoretical overviews presented in each chapter bolstering knowledge and understanding A glossary of organizational behavior and management terminology is also included Organizational Behavior and Management in Health and Medicine serves as a primer featuring principles and practices with intensive application and operational guidance The text with its learning objectives chapter summaries key terms and exercises is ideally suited for professors and students of health administration medicine nursing and allied health The book also can serve as a refresher for healthcare executives and managers e g administrators nurses physicians and as a useful reference for anyone with an interest in learning about administrative practices in health and medical settings

Organisational Psychology Niklas K. Steffens, Floor Rink, Michelle K. Ryan, 2022-11-25 Organisational Psychology Revisiting the Classic Studies critically reflects upon 14 studies by researchers such as Gilbreth French and Raven Greenberg and Schein that have long been considered foundational Written

and edited by leading scholars this book invites you to think about the limitations of the classic studies put theory into practice and consider in depth the lasting impact of these key studies on the field today Revisiting the Classic Studies is a series of texts that introduces readers to the studies in psychology that changed the way we think about core topics in the discipline today It provokes students to ask more interesting and challenging questions about the field by encouraging a deeper level of engagement both with the details of the studies themselves and with the nature of their contribution Edited by leading scholars in their field and written by researchers at the cutting edge of these developments the chapters in each text provide details of the original works and their theoretical and empirical impact and then discuss the ways in which thinking and research has advanced in the years since the studies were conducted Niklas K Steffens is Director of the Centre for Business and Organisational Psychology and Associate Professor at The University of Queensland Floor Rink is Professor of Organisational Behaviour at the University of Groningen Michelle K Ryan is the inaugural Director of the Global Institute of Women s Leadership and Professor of Social and Organisational Psychology at The Australian National University

The Motivated Worker Brad Ward,2020-11-24 How can managers and executives motivate workers to make them happier and more productive How can employees find meaning and motivation in their careers The classic Two Factor Theory a simple time tested model for conceptualizing job satisfaction is here re imagined for a modern world with relevant examples and backed by dozens of academic studies that organizational leaders can draw upon to improve worker motivation The Universal Dual Factor Survey UDS is introduced providing a means to assess workforce job satisfaction Managers will be able to understand which factors need improvement leading to more meaningful work Employees at all levels of business government and nonprofit organizations will be able to improve personal motivation facilitating a more cohesive and thriving workforce

A Handbook of Leadership Styles Ozgur Demirtas,2020-02-03 This book serves to provide a detailed exploration of the various leadership styles exhibited today In order to better comprehend the organic link between styles of leadership this book deals with almost all models of leadership and demonstrates how dynamic these forms of leadership actually are It is an essential and extensive reference point for both academics and practitioners

Strategic Organizational Communication for Efficiency and Performance: A Managerial Perspective with Case Insights from the Banking Sector Evelyn Owie,2025-05-31 Communication is the cornerstone of effective organizational functioning influencing daily operations and long term strategic outcomes This study was conceived to better understand the role communication plays in enhancing organizational efficiency particularly in manager employee interactions Driven by the growing need for seamless information flow in today s dynamic work environments this research used a quantitative approach We collected data from 75 respondents across different organizational roles using structured questionnaires The responses were analyzed with SPSS generating frequency tables and conducting multiple regression analysis to test the study s hypothesis The results confirmed a significant and positive relationship between communication and organizational efficiency This underscores the importance

of cultivating strong communication channels It also emphasizes that managers need to provide timely and constructive feedback and organizations must eliminate barriers to the smooth exchange of information By aligning with existing literature and offering practical recommendations this research contributes to the broader discussion on organizational performance It highlights communication not merely as a support mechanism but as a strategic asset that organizations must actively manage and optimize This work reflects a commitment to bridging theory with practice It s intended to be a useful resource for both scholars and practitioners interested in enhancing organizational effectiveness through improved communication

Learning for Leadership Yael Hellman,2014-05-07 If you are tasked with developing effective leaders teaching just isn t going to be enough Teaching leadership can be one of the most fulfilling as well as challenging tasks of a trainer Learning for Leadership builds on foundational learning and development concepts and practices to help trainers and facilitators develop programs that meet these challenges and turn learners into leaders Yael Hellman illustrates how a truly facilitative classroom is structured and she shows why it is the best environment to learn leadership skills The author does so through the lens of group dynamics and her own experience facilitating leadership courses for the Los Angeles Police Department The facilitative approach invites learners to practice leadership by being accountable for reaching learning objectives taking initiative to solve problems and nurturing their own ideas rather than leaning on authority This book includes everything you need to develop a facilitative leadership development course including icebreakers or warm ups to focus learners on the session s agenda interactive instruction models to help them master content ideas for group work including collective projects experiential exercises or games and joint activities that immediately apply new material wrap ups to summarize one session and link it to an upcoming one Facilitation integrates techniques from many adult learning approaches to produce creative transformative practical learning and leaders who are prepared to lead

Competencies in Teaching, Learning and Educational Leadership in the Digital Age J. Michael Spector,Dirk Ifenthaler,Demetrios G. Sampson,Pedro Isaias,2016-07-26 This book makes a contribution to a global conversation about the competencies challenges and changes being introduced as a result of digital technologies This volume consists of four parts with the first being elaborated from each of the featured panelists at CELDA Cognition and Exploratory Learning in the Digital Age 2014 Part One is an introduction to the global conversation about competencies and challenges for 21st century teachers and learners Part Two discusses the changes in learning and instructional paradigms Part Three is a discussion of assessments and analytics for teachers and decision makers Lastly Part Four analyzes the changing tools and learning environments teachers and learners must face Each of the four parts has six chapters In addition the book opens with a paper by the keynote speaker aimed at the broad considerations to take into account with regard to instructional design and learning in the digital age The volume closes with a reflective piece on the progress towards systemic and sustainable improvements in educational systems in the early part of the 21st century

Uncovering Covert Innovation Stephan Eicher,2020-09-29 It is

of central importance for companies to be innovative To maximize their innovation potential companies often rely on formal systems and processes for innovation management It has been shown that such attempts have the side effect of inhibiting a number of valuable innovations Some employees proceed informally and smuggle their innovations past formal barriers Stephan Eicher analyses the interaction between bootleggers and their management Using both qualitative and quantitative methods he answers three primary research questions What is the current state of research on bootlegging in R D How do bootleggers overcome illegitimacy upon disclosing their covert projects to decision makers How do different management styles and approaches affect the incidence of bootlegging The results of this research paint a vivid picture of the relationship between covert innovation projects and the official management world of companies **Chaos, Complexity and**
