Riding In Prosperity Ito Abasiene, 2013 Nothing in life goes well without money Whether it is in the Church family or society Over 50% of marital problems in the world today centers around money Without mincing words money makes things go better This is the major reason why God want you to prosper So your prosperity is one of the evidences of riding upon your high places which God has promised There is an evil which I have seen under the sun as an error which proceedeth from the ruler Folly is set in great dignity and the rich sit in low place I have seen servants upon horses and princes wailing as servants upon the earth Ecclesiastes 10:5 Before this time anybody who puts on a good dress must be an unbeliever Because Christians had presented themselves to look poor and wretched The servants were riding upon the horses while the princes were walking as servants upon the earth Nobody even bothered about the church then because of her appearance Nevertheless it is my pleasure to inform you that this a new dawn This is the time of the manifestation of the sons of God An era in which you shall be truly riding upon your high places As a believer I want you now to assume your rightful position in Christ However for this prosperous ride to become a reality in your life you must make a firm decision to obey the word of God You don't need to struggle like sinners to be rich you only need to obey the instructions from God's word This book offers to you practical details of how to escape the trap of poverty and for you to begin to ride majestically into the abundance and prosperity God has ordained for you by strict adherence to the details of the covenant Welcome to the ride

Barnes,2022-12-01 Before it was written there were a wide variety of views about the end of time held across different Jewish movements Historically there have been four main methods of interpretation in both Judaism and Christianity of which we see all on display in the New Testament The controversy around interpretation of prophecy existed in the days of Jesus led some to reject Christ was not resolved by the Protestant Reformers and still divides our churches today This book looks at how we got here and proposes a way we should all move forward together Using only the Scriptures the sola scriptura approach challenges us to understand what the original audience of the letter from John would have understood By identifying singularities and parallels within the book built from years of research and verse by verse exegetical study we will see how it is the fulfillment of the hopes and expectations of the Hebrew prophets and the early church Annual Report Illinois. Grace, a Free Ride to Heaven? Gaylon West, 2011-05-23 Definitions of grace identify one's religious affiliation in Christendom and one's attitude toward Bible content This book gives the theological development of the word and presents evidence that the word does not mean unmerited Further it is shown that to ignore this is to misinterpret Jesus mission and reject the loving grace that He provides to us from His Father and our Judge

Come and Ride with Me Chris Nwoke, 2020-10-29 Come and Ride with Me is a call for action God is saying you can depend on me In both the physical and invisible realm well before global navigational systems emerged the word of God has been a guiding light The Psalmist declared in Psalm 119 105 saying Thy word is a lamp unto my feet and a light unto my path The word of God enlightens presently the path for the living in this world and has been since the beginning of time The precious word of God is true living ageless and relevant today and will be in years to come as it was in the past It is holy righteous blessed and priceless Considering its origin it will not fail God who is faithful and true has blessed it The full impact of its power is in the application From joyous to sad times from easy to challenging times the word of God shines a bright light into the hearts and souls of the hearers Whosoever receives

and applies it to their lives will forever know the difference Consistent with the call to serve I have traveled to various countries of the world proclaiming the gospel In each place I beheld the working power of God through changed lives In the beginning I shared weekly messages online on many topics Each message is inspirational speaking to the hearts and minds of people Over the years I had desired to compile those messages in a book for the benefit of more readers So to that end with much prayer we have incorporated in this book those messages with some images and testimonies that reflect the great commission I encourage you to read by faith to discover how God has done extraordinary things in the lives of ordinary people
