once again the day came when Tina holding a small bag of clothing was taken away from her family and her home As they drove away she promised herself one day she d return Years later a single mother of three Tina and her children were blessed with that promise After fifteen years of memories it ended in a devastating fire Her family separated Instead of succumbing to despair hope and gratitude prevailed Moving six times each rental home brought her back to the river where she rose early every morning to watch the sunrise once again As she traversed its length and photographed the landscape she forged a new path for herself and to share with others Rise and Shine is a collection of positive affirmations and photographs of the land that encouraged Tina s self healing journey As the seasons shift and turn her keen eye honours the changing textures and colours of her view These snapshots illustrate the connection between the spiritual and natural the ways we can find peace in both The river inspires the daily affirmations from celebrating the good and accepting the bad to remembering to ground ourselves in this very moment the here and now Each day offers a new view a different way of seeing ourselves and the world outside our windows Rise and Shine reminds us of the countless blessings life has to offer All we must do is rise no matter the weather
