A River Flows Through It Selina Ho,2020-12-17 A River Flows Through It A Comparative Study of Transboundary Water Disputes and Cooperation in Asia explores water disputes in Asia and addresses the question of how states sharing a river system can be incentivized to cooperate Water scarcity is a major environmental societal and economic problem around the world Increasing demand for water as a result of rapid economic development high population growth and density has depleted the world s water resources leading to floods droughts environmental disasters and societal displacement Shared river basins are therefore often a source of tension and conflict between states In regions where relations between countries have historically been conflictual scarce river water resources have exacerbated tensions and

have even sparked wars Yet more often than not states sharing a river basin are able to come to some form of agreement whether they are far reaching ones such as water sharing agreements or those that are more limited such as the sharing of hydrological data Why do riparian states cooperate especially when power asymmetries between upstream and downstream countries are characteristic of transboundary river basins How do non state actors affect the management of international rivers What are the conditions that facilitate or hinder cooperation This book wrestles with these questions by exploring water disputes and cooperation in the major river systems in Asia and by comparing them with cases in Africa Europe and the United States This book will be of great value to scholars students and policymakers interested in transboundary water disputes and cooperation hydro diplomacy and river activism It was originally published as special issues of Water International

A Heart for Jesus Thomas D. Hall, 2004 God has spoken to my heart and so inclined me to open the doors of my life and share my struggles and transformations as I have journeyed to develop A Heart for Jesus I am calling out to all who hunger to understand who they are in Christ and how we transform our lives as Christians To all who are bound by the chains of repetitive sinful behavior even though you are saved To all who are filled with guilt shame and condemnation for their seeming inability to balance their lives Finally to all who are bound by the chains of addiction and to all who are spiritually lost or unaware and hunger to find A Heart for Jesus I want you to know that God's grace knows no boundaries Walk with me as we seek peace and balance in our lives Let my experience be your pain let me spur you on to you calling Together we will seek God while he can be found we will call upon him while he is near My journey details how I came to know Christ how we came to understand who we are in Christ and the process by which sanctification transforms us from sinners to winners in Christ We will discuss the importance of witnessing our struggle to understand where God is in this chaotic world and our call to balance our lives between who we say we are in Christ and how we actually live out each day I intend to uncover for those who hunger spiritually a true picture of our spiritual identity how we go into training through Godly disciplines who will tempt us and five keys to victory in Christ We will discuss spiritual gifts in detail where they came from why God gave them to us and how we go about using them to create a Heart for Jesus Through self examination and small group discussion we will understand why we still even though we are saved how to stop sinning how to pinpoint our character defects that allow Satan into our thought life and how we do battle with our sinful nature Finally we will determine what we value and how we exercise those values as we journey to develop a A Heart for Jesus
