Neiman Marcus Digital Recipe:

Digital Legend and Belief Andrew Peck, 2023-07-18 The internet brings new urgency to the study of folklore The digital networks we use every day amplify the capacity of legends to spread swiftly define threats and inform action Using the case of a particularly popular digital bogeyman known as the Slender Man Andrew Peck brings the study of legends into the twenty first century Peck explains not only how legends circulate in the digital swirl of the internet but also how the internet affects how legends seep into our offline lives and into the mass media we consume What happens he asks when legends go online How does the internet enable the creation of new legends How do these ideas go viral How do tradition and technology interact to construct collaborative beliefs Peck argues that the story of the Slender Man is really a story about the changing nature of belief in the age of the internet Widely adopted digital technologies from smartphones to social media offer vast potential for extending traditional and expressive social behaviors in new ways As such understanding the online landscape of contemporary folklore is crucial for grasping the formation and circulation of belief in the digital age Ultimately Peck argues that advancing our comprehension of legends online can help us better understand how similar belief genres like fake news conspiracy theories hoaxes rumors meme culture and anti expert movements are enabled by digital media

Mike Royko: The Chicago Tribune Collection 1984-1997 Mike Royko, 2014-11-04 Mike Royko The Chicago Tribune Collection 1984 1997 is an expansive new volume of the longtime Chicago news legend s work Encompassing thousands of his columns all of which originally appeared in the Chicago Tribune this is the first collection of Royko work to solely cover his time at the Tribune Covering politics culture sports and more Royko brings his trademark sarcasm and cantankerous wit to a complete compendium of his last 14 years as a newspaper man Organized chronologically these columns display Royko s talent for crafting fictional conversations that reveal the truth of the small minded in our society From cagey political points to hysterical take downs of meatball sports fans Royko s writing was beloved and anticipated anxiously by his fans In plain language he tells it like it is on subjects relevant to modern society In addition to his columns the book features Royko s obituary and articles written about him after his death telling the tale of his life and success This ultimate collection is a must read for Royko fans longtime Chicago Tribune readers and Chicagoans who love the city s rich history of dedicated and insightful journalism

Shawn Haarer,2000 *Social Psychology of Culture* Chi-Yue Chiu,Ying-yi Hong,2013-12-16

As the speed of globalization accelerates world cultures are more closely connected to each other than ever before But what exactly is culture It seems to be involved in all psychological processes but can its psychological consequences be studied scientifically How can cultural differences be described without reifying culture and reinforcing cultural stereotypes Culture and mind constitute each other but how Why do humans need culture How did the evolution of the mind enable the development of human culture How does participation in culture transform the mind and how does the mind process and apply culture How may culture become a resource for pursuing valued goals and how does culture become part of the self How do culture travelers navigate cultures and negotiate multiple cultural identities The authors of this volume offer a refreshing theoretical perspective and organize seemingly disparate research evidence into a coherent body of psychological knowledge With its accessible language and lively narrative this volume engages its readers in an intellectual journey through the fascinating research literatures in psychology anthropology and the cognate disciplines This book will make an ideal textbook for senior undergraduate and graduate courses on psychology and culture cultural studies cognitive anthropology and intercultural communication **The Watkins Book of Urban Legends** Gail De Vos,2024-11-12 A

comprehensive and entertaining collection of urban legends from around the world with a history and analysis of the origin of each tale compiled by a leading authority in the field A rich and unique collection of folktales and urban legends from around the world Each story comes with an accompanying brief note to provide context Including new tales reflecting new concerns old tales repurposed for new audiences and new ways of telling The collection illustrates that these stories are now alive across many new media This is the first such popular book to bring together stories with both traditional and digital media origins and to examine how the phenomenon of social media has affected both the spread of urban legends and their very nature Features the uniquely modern manifestation of folk mythology and legend now made ubiquitous by the internet the conspiracy theory Includes urban legends such as The Pickled Hand The Babysitter The Sandman Includes conspiracy theories such as Wild Fires Fifteen Minute Cities and Organ Theft 40% of the stories originate in North America 30% in Europe 20% in Asia 10% in Africa and elsewhere The book also shows how stories spread and change from the country of origin to become global **Smart Rivals** Feng Zhu,Bonnie Yining Cao,2024-08-20 A fresh research based look at how

companies can better compete on their own terms with tech giants from a Harvard Business School professor and a former Bloomberg journalist Companies are fighting the wrong battle The consensus has been to learn the best practices from tech giants and then imitate them But new paths for growth aren't created by imitation they're forged by radical differentiation In Smart Rivals Harvard Business School professor Feng Zhu and former Bloomberg journalist Bonnie Yining Cao show business leaders how to create competitive advantages by offering product features and benefits that tech giants and other competitors cannot match in the digital AI age Taking readers on a global journey Zhu and Cao showcase a variety of companies including Domino's Nike and Sephora and fascinating case studies such as Belle the leading women's footwear retailer in China EbonyLife Nigeria's top media conglomerate and Telepass Italy's popular electronic toll payment service Through these diverse examples they illustrate how companies identify their path for growth in the digital age by leveraging their unique capabilities Drawing on original research and insights gleaned from leaders in a wide range of industries Smart Rivals is a blueprint for uncovering your company's hidden strengths It will help you spark innovative solutions and capabilities including new products services strategies and advantages that mere imitation could never provide *The Bulletin*, 1997 *Bioart Kitchen* Lindsay Kelley, 2016-03-07 What do new technologies taste like A growing number of contemporary artists are working with food live materials and scientific processes in order to explore and challenge the ways in which manipulation of biological materials informs our cooking and eating Bioart or biological art uses biotech methods to manipulate living systems from tissues to ecologies While most critiques of bioart emphasise the influences of new media digital media and genetics this book takes a bold alternative approach Bioart Kitchen explores a wide spectrum of seemingly unconnected subjects which when brought together offer a more inclusive expansive history of bioart namely home economics the feminist art of the 1970s tissue culture methodologies domestic computing and contemporary artistic engagements with biotechnology *Connected* George E. Marcus, 1996-07-15 From the frontiers of cyberspace to Tibetans in exile from computer bulletin boards to faxes film and videotape the ongoing and often startling evolution of media continues to generate fresh new avenues for cultural criticism political activism and self reflection How is contemporary life affected by this stunning proliferation of information technologies How does the Internet influence and perhaps alter users' experience of community and their sense of self In what way are giant media conglomerates implicated in these far reaching developments Connected the third volume in the groundbreaking and highly acclaimed Late Editions series confronts these provocative questions through unique experiments with the interview format It explores both the new pathways being forged through media and the predicaments of those struggling to find their way in the twilight of the twentieth century
