*Children at Play* Howard P. Chudacoff, 2008-09 Introduction Play Childhood and play in colonial America Domesticating children 1800 1850 The arrival of toys 1850 1900 The invasion of children's play culture 1900 1950 The golden age 1900 1950 The commercialization of children's play 1950 to the present Children's play goes underground 1950 to the present Conclusion      **The Parent App** Lynn Schofield Clark, 2013 New technologies offer new ways for families to connect access ideas and entertainment and manage the risks faced by children and teens but they also bring more responsibilities choices and challenges Clark argues that families experience digital and mobile technologies in their children's lives especially during the preteen and teen years quite differently depending on whether they are middle class or less advantaged Based on over ten years of interviews hundreds of parents and children The Parent App explores these differences and provides the kind of guidance backed by thorough research that parents today desperately need      *Digital Playgrounds* Sara M. Grimes, 2021-07-30 Digital Playgrounds explores the key developments trends debates and controversies that have shaped children's commercial digital play spaces over the past two decades It argues that children's online playgrounds virtual worlds and connected games are much more than mere sources of fun and diversion they serve as the sites of complex negotiations of power between children parents developers politicians and other actors with a stake in determining what how and where children's play unfolds Through an innovative transdisciplinary framework combining science and technology studies critical communication studies and children's cultural studies Digital Playgrounds focuses on the contents and contexts of actual technological artefacts as a necessary entry point for understanding the meanings and politics of children's

digital play The discussion draws on several research studies on a wide range of digital playgrounds designed and marketed to children aged six to twelve years revealing how various problematic tendencies prevent most digital play spaces from effectively supporting children's culture rights and ironically play Digital Playgrounds lays the groundwork for a critical reconsideration of how existing approaches might be used in the development of new regulation as well as best practices for the industries involved in making children's digital play spaces In so doing it argues that children's online play spaces be reimagined as a crucial new form of public sphere in which children's rights and digital citizenship must be prioritized
