Snyman Criminal Law 4th Edition:

Criminal Law in South Africa Shannon Vaughn Hoctor, 2017-06-20 Derived from the renowned multi volume International Encyclopaedia of Laws this book provides a practical analysis of criminal law in South Africa An introduction presents the necessary background information about the framework and sources of the criminal justice system and then proceeds to a detailed examination of the grounds for criminal liability the justification of criminal offences the defences that diminish or excuse criminal liability the classification of criminal offences and the sanctions system Coverage of criminal procedure focuses on the organization of investigations pre trial proceedings trial stage and legal remedies A final part describes the execution of sentences and orders the prison system and the extinction of custodial sanctions or sentences Its succinct yet scholarly nature as well as the practical quality of the information it provides make this book a valuable resource for criminal lawyers prosecutors law enforcement officers and criminal court judges handling cases connected with South Africa

Academics and researchers as well as the various international organizations in the field will welcome this very useful guide and will appreciate its value in the study of comparative criminal law *The Law of Pre-Trial Criminal Procedure in Namibia*

Mapaure, Clever, Ndjodi, M.L., 2016-01-29 The Namibian Constitution entrenches fundamental rights and freedoms and provides for their vertical and horizontal application in any criminal process However since Independence in 1990 Namibia has developed its own criminal jurisprudence Criminal procedure and law are taking new shape Namibian courts have pronounced on criminal issues and legislation has been passed to keep up with the demands aspirations spirit and vision of the Namibian Constitution and its people CLEVER MAPAURE NDJODI NDEUNYEMA PILISANO MASAKE FESTUS WEYULU and LOIDE SHAPARARA have written an invaluable book that deals with these developments It explains the rights of individuals the duties of law enforcement officers and the procedures of the courts in criminal cases The Law of Pre Trial Criminal Procedure in Namibia introduces readers to the fundamental principles and values underlying Namibian criminal law through a systematic examination of the provisions of the Criminal Procedure Act 1977 Act No 51 of 1977 as amended which was originally passed by the legislature of South Africa and still regulates criminal procedure in Namibia the amendments to it since 1990 and relevant Namibian Case Law The book captures and discusses the law relating to the pre trial criminal process in Namibia in detail from the roles of the prosecutor and the police search seizure and forfeiture interrogation notices and summons arrest court appearance bail criminal charges disclosure diminished capacity right to assistance to pleas and plea bargaining **Introduction to the Law of South Africa** C. G. Van der Merwe, J. E. Du

Plessis, 2004-01-01 This title is part of an established Series which introduces various legal systems of the world It provides an authoritative and accessible overview of the main branches of South African public private and commercial law Offering insight into the rich system of South African law this title will be of particular interest to the international legal community The South African legal system has not only developed fascinating mixtures of civil law and common law rules over more

than a century but has also experienced a post apartheid South Africa Of particular interest is the way in which so many branches of law have been infused by basic constitutional values Many of the contributors have published work in their own fields and have considerable experience of presenting their subject matter in a broader comparative perspective The succinct and balanced nature of the contributions makes this title attractive to a wide audience of academics students and practitioners with an interest in this remarkable legal system

Consent Alan Reed, Michael Bohlander, Nicola Wake, Emma Smith, 2016-10-14 This volume presents a leading contribution to the substantive arena relating to consent in the criminal law In broad terms the ambit of legally valid consent in extant law is contestable and opaque and reveals significant problems in adoption of consistent approaches to doctrinal and theoretical underpinnings of consent This book seeks to provide a logical template to focus the debate The overall concept addresses three specific elements within this arena embracing an overarching synergy between them This edifice engages in an examination of UK provisions with specialist contributions on Irish and Scottish law and in contrasting these provisions against alternative domestic jurisdictions as well as comparative contributions addressing a particularised research grid for consent The comparative chapters provide a wider background of how other legal systems treat a variety of specialised issues relating to consent in the context of the criminal law The debate in relation to consent principles continues for academics practitioners and within the criminal justice system Having expert descriptions of the wider issues surrounding the particular discussion and of other legal systems approaches serves to stimulate and inform that debate This collection will be a major source of reference for future discussion

Psychology and Law Colin Tredoux, 2005 The congruencies between psychology and law are explored in this collection of learning objectives exercises and reference material that addresses the intersection of these two disciplines In addition to practical topics such as crime and policing the detection of deception and truthfulness dangerousness and the risk of violence and the employment of the psychologist as expert witness it also discusses modern moral issues such as the role and treatment of child witnesses in legal proceedings investigative psychology and psychological profiling and the use of insanity and diminished capacity defenses

Refusal, Transition and Post-apartheid Law Karin Van Marle,2009-11-01 Refusal Transition and Post apartheid Law under editorship of professor Karin van Marle is indeed long overdue As some of the authors in the relevant contributions to this publication rightly point out Van Marle s call for a jurisprudence of generosity enabled through an ethics of refusal signals a new shift in South African jurisprudence Through the lens of Van Marle s ethics of refusal and her jurisprudence of generosity the articles present fresh and meaningful interpretations in respect of a range of very relevant topics ranging

from property theory and a rethinking of human rights to the role of forgiveness and the dangers inherent in modern technology *The Criminal Responsibility of Senior Political and Military Leaders as Principals to International Crimes* Héctor Olásolo, 2009-05-15 As shown by the trials of Slobodan Milosevic Charles Taylor and Saddam Hussein the large scale and systematic commission of international crimes is usually planned and set in motion by senior political and military leaders Nevertheless the application of traditional forms of criminal liability leads to the conclusion that they are mere accessories to such crimes This does not reflect their central role and often results in a punishment which is inappropriately low in view of the impact of their actions and omissions For these reasons international criminal law has placed special emphasis on the development of concepts such as control of the crime and joint criminal enterprise also known as the common purpose doctrine which aim at reflecting better the central role played by senior political and military leaders in campaigns of large scale and systematic commission of international crimes The Rome Statute of the International Criminal Court and the case law of the ICTY and the ICTR have in recent years played a unique role in the achievement of this goal

Law Books Published, 1995 **Essays on International Criminal Justice** Héctor Olásolo, 2012-01-09 Crimes of atrocity have profound and long lasting effects on any society The difference between triggering and preventing these tragic crimes often amounts to the choice between national potential preserved or destroyed It is also important to recognise that they are not inevitable the commission of these crimes requires a collective effort an organisational context and long planning and preparation Thus the idea of strengthening preventative action has taken on greater relevance and is now encompassed in the emerging notion of responsibility to prevent International courts and tribunals contribute to this effort by ending impunity for past crimes Focusing investigations and prosecution on the highest leadership maximises the impact of this contribution The ICC has an additional preventative mandate which is fulfilled by its timely intervention in the form of preliminary examinations Moreover when situations of atrocity crimes are triggered its complementarity regime incentivises states to stop violence and comply with their duties to investigate and prosecute thus strengthening the rule of law at the national level The new role granted to victims by the Rome Statute is key to the ICC's successful fulfilment of these functions This new book of essays which includes the author's unpublished inaugural lecture at Utrecht University examines these issues and places particular emphasis on the additional preventative mandate of the ICC the ICC complementarity regime the new role granted to victims and the prosecution of the highest leadership through the notion of indirect perpetration The work of Professor Olasolo breaks new ground in the academic field of international criminal law as an analysis of the system as a whole I therefore wish to express my congratulations for this work From the Foreword by Luis Moreno Ocampo Prosecutor International Criminal Court The Hague 27 April 2011 Professor Hector Olasolo's compilation provides an enormous source of easy reference to students academia and legal actors in the field of international law A look at the titles compiled in this volume demonstrates the present challenges to international criminal justice From the Preliminary

Reflections by Elizabeth Odio Benito Judge and Former Vice President International Criminal Court The Hague May 2011
This collection written by a brilliant and prolific scholar and practitioner of international criminal justice is an insightful and important contribution to the existing literature Each chapter in this collection is copiously footnoted and thoroughly researched making it an important reference tool for scholars and practitioners in the field Additionally and importantly the chapters explore without polemic areas of controversy and dissent and thoughtfully and scrupulously set forth arguments for and against particular doctrinal choices From the Introduction by Leila Nadya Sadat Henry H Oerschelp Professor of Law and Director Whitney R Harris World Law Institute Washington University School of Law Alexis de Tocqueville Distinguished Fulbright Chair Universit de Cergy Pontoise Paris Spring 2011
