

## SOAP Note 5.0

By Scotten W. Jones

### Introduction

Please find attached SOAP (Subjective, Objective, Assessment, and Plan) note 5.0.

This SOAP note is provided as is. It is up to the user to confirm the accuracy of the information and to determine the appropriate usage, patient treatment, training required and documentation. The provider of this note assumes no responsibility for patient, legal or other outcomes as a result of the use of this document.

This SOAP note is copyright © 2012 Scotten W. Jones. Copying for personal and educational use is permitted. Copying and distribution for sale or other commercial use is not permitted, all other rights are reserved.

A SOAP note may be considered a medical document and may be subject to privacy regulations. Compliance with appropriate regulations is the user's responsibility.

Usage of the SOAP note 5.0:

*Front side*

**Header:** Check either the original or copy box to indicate this is the original note or a copy of the note. A copy is often required to send with a patient.

**Section 1), 2), 3)** – lists the steps to approach a patient and perform the Primary Survey looking for immediate life threats. The primary survey is in the order in which it should be performed and in order of treatment priority. For example clearing an airway takes precedence over a possible spinal injury.

**4) General** – basic information on the responders and patient.

**5) Subjective** – information the patient tells you about the NOI (nature of injury) and MOI (mechanism of injury). What happened, how it happened and where it hurts? The pain description on the right side should be used to get as much detailed information about the injury as possible.

**Mechanism for Spinal Injuries** – the specific criteria for a traumatic incident to possibly cause a spinal injury. If a traumatic incident does not have one or more of these elements present a spinal injury is unlikely and you check no in the MOI for spine in the subjective session. If the patient is unconscious you should assume a spinal injury until the clear spine procedure at the bottom of the page is performed (clear spine is Wilderness Only protocol). Spinal injuries require immobilization of the spine and neck.

**6) Objective** – information that you observe as a caregiver doing your primary and secondary survey. A secondary survey should include; vital signs, head to toe exam and AMPLE patient history. The table at the top of the section provides space for time and the five main wilderness vital signs (level of consciousness with scale, Respiration rate and effort with normal and help values, heart rate and effort with normal values, skin color temperature and moisture with abbreviations and eyes with abbreviation). There is additional space for vital signs on the back of the form. There is also space for

## FAQs About Soap Note For Herniated Disc Books

**What is a Soap Note For Herniated Disc PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Soap Note For Herniated Disc PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Soap Note For Herniated Disc PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Soap Note For Herniated Disc PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Soap Note For Herniated Disc PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
