The Only Way to Win Jim Loehr, 2012-05-08 Why Winning with Character Is the Only Way to Win. The conditioning begins early in our lives. Great achievements will bring lasting happiness and fulfillment; great achievements form the bedrock of stable self esteem and strong character; great achievements will become the foundation for a successful life. If these well intentioned promises are true, why does winning never seem to be enough? In *The Only Way to Win*, Jim Loehr draws upon two decades of work with Fortune 500 executives, world class athletes such as Monica Seles, Dan Jansen and Eric Lindros, and other high achievers at the Human Performance Institute (HPI) to reveal surprising insights about achievement, motivation. Specifically, Loehr finds that the blind pursuit of external achievement often results in emptiness, addiction, and ironically, poor performance. It's not really about what you achieve, he argues; it's about who you become as a consequence of the chase. As Loehr powerfully demonstrates, success at work and fulfillment in life require a complete re

purposing of achievement one where value is derived from growth in areas such as integrity honesty gratefulness humility optimism and compassion To help readers start this process he provides them with the tools they need to develop these character traits as well as the plan they need to use them effectively A compelling practical and hopeful read filled with relatable stories and useful exercises The Only Way to Win will serve as a powerful wake up call for business leaders employees teachers and coaches It will also provide inspiration for readers looking to perform better achieve more and change both their own lives and those of the people they influence Jim Loehr is a world renowned performance psychologist co founder of the Human Performance Institute and author of fifteen books including his most recent The Power of Story He also co authored the national bestseller The Power of Full Engagement
