

Social Choreography

The background of the cover is a textured, abstract composition in shades of brown, tan, and beige. Overlaid on this are several stylized, light-colored figures in various dynamic poses, suggesting movement and dance. One figure is at the top, another in the middle right, and two others at the bottom, all rendered in a simplified, almost graphic style.

(Post)Socialist Dance, 2024-10-03 This book sets out to search for the Second World the post socialist context in dance studies and examines the way it appears and reappears in today's globalized world It traces hidden and invisibilized legacies over the span of one century probing questions that can make viewers artists and scholars uncomfortable regarding dance histories memories circulations and production modes in and around the post socialist world The contributions delve into a variety of dance practices folk traditional ballet modern contemporary modes of dance production institutionalization processes festival making and market logics and dance circulations between centres and peripheries between different genres and styles The main focus is Eastern Europe including Russia but the book also addresses Cuba and China The book's historical examples make the reader aware too of the post socialist bodies influence in today's dance including in contemporary dance scenes The post socialist context promises to be a prosperous laboratory to

explore uncomfortable questions of legitimacy Whose choreographic work is staged as a quality dance production Which dance practices are worthy of scholarly study What are the limits of dance studies understanding of what dance is or should be In view of reclaiming the Second World through dance this book thus probes questions that should be asked today but are not easy to answer questions that dance practitioners facilitators critics and researchers including ourselves are often not at ease with either In doing so the cracks of dance history begin to be sealed and neglected dance practices are written back into history provided with the academic recognition that they deserve

The Bloomsbury Companion to Dance Studies
 Sherril Dodds, 2019-03-21 The Bloomsbury Companion to Dance Studies brings together leading international dance scholars in this single collection to provide a vivid picture of the state of contemporary dance research The book commences with an introduction that privileges dancing as both a site of knowledge formation and a methodological approach followed by a provocative overview of the methods and problems that dance studies currently faces as an established disciplinary field The volume contains eleven core chapters that each map out a specific area of inquiry Dance Pedagogy Practice As Research Dance and Politics Dance and Identity Dance Science Screen Dance Dance Ethnography Popular Dance Dance History Dance and Philosophy and Digital Dance Although these sub disciplinary domains do not fully capture the dynamic ways in which dance scholars work across multiple positions and perspectives they reflect the major interests and innovations around which dance studies has organized its teaching and research Therefore each author speaks to the labels methods issues and histories of each given category while also exemplifying this scholarship in action The dances under investigation range from experimental conceptual concert dance through to underground street dance practices and the geographic reach encompasses dance making from Europe North and South America the Caribbean and Asia The book ends with a chapter that looks ahead to new directions in dance scholarship in addition to an annotated bibliography and list of key concepts The volume is an essential guide for students and scholars interested in the creative and critical approaches that dance studies can offer

Performance and Ethnography Peter Harrop, Dunja Njaradi, 2013-07-16 Performance and Ethnography Dance Drama Music revisits the territory of the performance orientation touching on anthropology dance folklore music and theatre to look for present trends in both the ethnography of performance and performance ethnography One of the main concerns of this volume is with an embodied affective and sensory ethnography that privileges encounters between ethnographer participants and practices as key to understanding and knowledge Another is the extent to which individuals are shaped by their engagement with ethnographic practice in the midst of migration diffusion revival appropriation and commodification of performance A third is the interface of academic disciplines with the idea of performance and the way in which academics and practitioners are drawn to ethnography to better understand negotiate perform and profess their diverse fields Individual chapters include a refreshed interface for performance studies and anthropology through new approaches to ritual a consideration of performance studies through an ethnography of the emplaced body as a tool for ethnographic research somatic practice in dance as a mode of ethnography artisanal musical instrument making as performance the commodification of traditional performance and an introductory overview that reflects shifting ethnographic perspectives on traditional performances

Choreographing Intersubjectivity in Performance Art Victoria Wynne-Jones, 2021-09-29 This book offers new ways of thinking about dance related artworks that have taken place in galleries museums and biennales over the past two decades as part of the choreographic turn It focuses on the concept of intersubjectivity and theorises about what happens when subjects meet within a performance artwork The resulting relations are crucial to instances of performance art in which embodied subjects engage as spectators participants and performers in orchestrated art events Choreographing Intersubjectivity in Performance Art deploys a multi disciplinary approach across dance choreography and evolving manifestations of performance art An innovative overarching concept of choreography sustains the idea that intersubjectivity evolves through places spaces performance and spectatorship Drawing upon international examples the book introduces readers to performance art from the South Pacific and the complexities of decolonising choreography Artists Tino Sehgal Xavier Le Roy Jordan Wolfson Alicia Frankovich and Shigeyuki Kihara are discussed

Gestural Imaginaries Lucia Ruprecht, 2019-06-04 Gestural Imaginaries Dance and Cultural Theory in the Early Twentieth Century offers a new interpretation of European modernist dance by addressing it as guiding medium in a vibrant field of gestural culture that ranged across art and philosophy Taking further Cornelius Castoriadis's concept of the social imaginary it explores this imaginary's embodied forms Close readings of dances photographs and literary texts are juxtaposed with discussions of gestural theory by thinkers including Walter Benjamin Sigmund Freud and Aby Warburg Choreographic gesture is defined as a force of intermittency that creates a new theoretical status of dance Author Lucia Ruprecht shows how this also bears on contemporary theory She

shifts emphasis from Giorgio Agamben's preoccupation with gestural mediality to Jacques Rancière's multiplicity of proliferating singular gestures arguing for their ethical and political relevance Mobilizing dance history and movement analysis Ruprecht highlights the critical impact of works by choreographers such as Vaslav Nijinsky Jo Mihaly and Alexander and Clotilde Sakharoff She also offers choreographic readings of Franz Kafka and Alfred Döblin Gestural Imaginaries proposes that modernist dance conducts a gestural revolution which enacts but also exceeds the insights of past and present cultural theory It makes a case for archive based cross medial and critically informed dance studies transnational German studies and the theoretical potential of performance itself

Choreographic Practice in Online Pedagogy Peter J. Cook, 2024-07-19 This book examines a creative approach to exploring choreographic practice artistically theoretically and pedagogically It explores the interweaving of dance dance teaching dance onto epistemologies and choreography with a particular focus on creating dance with digital technologies The idea of centring choreography in dance education fundamentally challenges typical conceptions of best practice in the preparation and delivery appropriateness and effectiveness of dance performance teaching and learning experiences It purposefully privileges creativity as a critical learning paradigm extending the ways in which creativity studies are enriching performance scholarship as well as performance teaching The book acknowledges the importance of the artist teacher nexus and presents choreographic practice as the centre of learning in dance with a focus on digital platforms

Dark Matter in Breaking Cyphers Imani Kai Johnson, 2023 The dance circle called the cypher is a common signifier of breaking culture known more for its spectacular moves than as a ritual practice with foundations in Africanist aesthetics Yet those foundations evident in expressive qualities like call and response the aural kinesthetic the imperative to be original and more are essential to cyphering's enduring presence on the global stage What can cyphers activate beyond the spectacle What lessons do cyphers offer about moving through and navigating the social world And what possibilities for the future do they animate With an interdisciplinary reach and a riff on physics author Imani Kai Johnson centers the voices of practitioners in a study of breaking events in cities across the US Canada and parts of Europe Dark Matter in Breaking Cyphers the Life of Africanist Aesthetics in Global Hip Hop draws on over a decade of research and provides a detailed look into the vitality of Africanist aesthetics and the epistemological possibilities of the ritual circle
