

Social Media Global Report

Daniel Padgett, Andrew Loos

Social Media Global Report:

Global report on ageism, 2021-03-18 Global Report on Trafficking in Persons 2024 United Nations Office on Drugs and Crime, 2024-12-11 The 2024 UNODC Global Report on Trafficking in Persons is the eighth of its kind mandated by the General Assembly through the 2010 United Nations Global Plan of Action to Combat Trafficking in Persons This edition of the Global Report provides a snapshot of the trafficking patterns and flows detected after the COVID 19 pandemic It covers 156 countries and provides an overview of the response to the trafficking in persons at global regional and national levels by analyzing trafficking cases detected between 2020 and 2023 A major focus of this edition of the Report is Trafficking in Persons in the African continent World trends in freedom of expression and media development UNESCO, University of Oxford (UK), 2018-02-05 In the face of such challenges this new volume in the World Trends in Freedom of Expression and Media Development series offers a critical analysis of new trends in media freedom pluralism independence and the safety of journalists **Social Media in the Arab World** Barrie Gunter, Mokhtar Elareshi, Khalid Al-Jaber, 2016-04-21 Following the Arab Spring the use of social media has become instrumental in organising activist movements and spreading political dissent in the Middle East New online behaviours have transformed traditional communication channels enabling young people of all backgrounds to feel politically empowered But now that spring has turned to winter what are the long term implications of internet activism in the region Social Media in the Arab World provides a unique insight into the role of online communications as a force for change in the Gulf States Featuring examples as diverse as neo patrimonial politics in Saudi Arabia and the ways an online presence affects the status of women in Kuwait the chapters examine shifts in the political social and religious identities of citizens as a result of increased digital activism With contributions from a variety of interdisciplinary experts this wide ranging study examines the consequences of changing power dynamics brought about by popular social media In doing so this book offers an original perspective on the long term implications of internet usage in the Arab world and is essential reading for students and researchers working across the region **World Internet Development Report 2022** Publishing House of Electronics Industry, 2023-09-04 This book objectively presents the status quo and trends of world Internet development in 2022 systematically summarises Internet development in major countries and regions and deeply analyses new development conditions and trends in key areas of the Internet in terms of eight aspects i e information infrastructure information technology digital economy e government cybermedia cybersecurity cyberlaw and international cyberspace governance This book maintains the index system of world Internet development optimises some indexes and comprehensively evaluates Internet development in major countries and regions of the world in order to better show the strength and characteristics of Internet development in various countries and reflect the overall trend of world Internet development in a comprehensive accurate and objective way This book collects the latest research results on the world Internet development With diverse topics and in depth discussions this book is of great significance to those involved

in the Internet field in government departments Internet companies scientific research institutions and universities who hope to fully understand the world's Internet development

Digital Media, Young Adults and Religion Marcus Moberg, Sofia Sjö, 2020-02-26 It has become increasingly clear that an adequate understanding of the contemporary processes of social cultural and religious change is contingent on an appreciation of the growing impact of social media Utilising results of an unprecedented global study this volume explores the ways in which young adults in seven different countries engage with digital and social media in religiously significant ways Presenting and analysing the findings of the global research project Young Adults and Religion in a Global Perspective YARG an international panel of contributors shed new light on the impact of social media and its associated technologies on young people's religiosities worldviews and values Case studies from China Finland Ghana Israel Peru Poland and Turkey are used to demonstrate how these developments are progressing not just in the West but across the world This book is unique in that it presents a truly macroscopic perspective on trends in religion amongst young adults As such it will be of great interest to scholars working in religious studies digital media communication studies sociology cultural studies theology and youth studies

The Integrated Reporting Movement Robert G. Eccles, Michael P. Krzus, 2014-11-17 An in depth enlightening look at the integrated reporting movement The Integrated Reporting Movement explores the meaning of the concept explains the forces that provide momentum to the associated movement and examines the motives of the actors involved The book posits integrated reporting as a key mechanism by which companies can ensure their own long term sustainability by contributing to a sustainable society Although integrated reporting has seen substantial development due to the support of companies investors and the initiatives of a number of NGOs widespread regulatory intervention has yet to materialize Outside of South Africa adoption remains voluntary accomplished via social movement abetted to varying degrees by market forces In considering integrated reporting's current state of play the authors provide guidance to ensure wider adoption of the practice and success of the movement starting with how companies can improve their own reporting processes But the support of investors regulators and NGOs is also important All will benefit as will society as a whole Readers will learn how integrated reporting has evolved over the years where frameworks and standards are today and the practices that help ensure effective implementation including but not limited to an extensive discussion of information technology's role in reporting and the importance of corporate reporting websites The authors introduce the concepts of an annual board of directors Statement of Significant Audiences and Materiality and a Sustainable Value Matrix tool that translates the statement into management decisions The book argues that the appropriate combination of market and regulatory forces to speed adoption will vary by country concluding with four specific recommendations about what must be done to accelerate high quality adoption of integrated reporting around the world

Reporting Humanitarian Disasters in a Social Media Age Glenda Cooper, 2018-10-26 From the tsunami to Hurricane Sandy the Nepal earthquake to Syrian refugees defining images and accounts of humanitarian crises are now

often created not by journalists but by ordinary citizens using Twitter Facebook YouTube Instagram and Snapchat But how has the use of this content and the way it is spread by social media altered the rituals around disaster reporting the close if not symbiotic relationship between journalists and aid agencies and the kind of crises that are covered Drawing on more than 100 in depth interviews with journalists and aid agency press officers participant observations at the Guardian BBC and Save the Children UK as well as the ordinary people who created the words and pictures that framed these disasters this book reveals how humanitarian disasters are covered in the 21st century and the potential consequences for those who posted a tweet a video or photo without ever realising how far it would go

The Effects of Social Media Advertising in China

Changchun Xuan, 2022-09-30 The book aims to evaluate social media users attitude towards social media advertising in mainland China By conducting a large scale national survey in China N 4 172 the author systematically and comprehensively examines factors that influence social media users attitude towards social media advertising Integrating the perspectives of sociology psychology communication and advertising the author discusses the influencing factors from the standpoints of consumers social media platforms and culture and the mechanisms among them Moreover this book demonstrates the heterogeneity among mainland Chinese consumers as well as their similarities and differences from American consumers The book appeals to scholars and postgraduate students in the fields of marketing and advertising and those advertising practitioners who are interested in the Chinese market

Social Media Marlynn M. Griffin, Cordelia Zinskie, 2021-09-01

Social media is a multi faceted tool that has been used by educators and or their students in ways both beneficial and detrimental Despite the ubiquitous nature of this tool there is much research still needed on the multitude of ways that social media impacts education This book presents research on the influences of social media on education broadly construed Specifically the research included in this book is categorized into four broad areas examining the educational influence of social media on youth and college students professional development in content areas higher education learning and social justice and activism Chapter authors emphasize the opportunities of social media use in education and provide recommendations for how to address challenges that may arise with social media integration into the teaching and learning setting These authors also advocate for use of social media to grow and enhance professional interaction among educators moving beyond the social aspect of these platforms to advocate for educational and societal change Individuals working in K 12 schools teacher education teacher professional development and higher education including pharmacy nursing dental and medical education as well as those in other educational settings can use these findings to support and guide integration of social media into teaching and learning as well as their professional practice Endorsements for Social Media Influences on Education Anyone attempting to understand these issues and the emerging critical role of social media in education today should read the excellent edited book Social Media Influences on Education I ve been monitoring educational media and technology research and practice for the past 40 years In my view this book is an important contribution to a current
