*Transforming Research Methods in the Social Sciences* Angelo Flynn, Sherianne Kramer, 2019-03-01 A look at the research methods in development across the global South Social science researchers in the global South and in South Africa particularly utilise research methods in innovative ways in order to respond to contexts characterised by diversity racial and political tensions socioeconomic disparities and gender inequalities These methods often remain undocumented a gap that this book starts to address Written by experts from various methodological fields *Transforming Research Methods in the Social Sciences* is a comprehensive collation of original essays and cutting edge research that demonstrates the variety of novel techniques and research methods available to researchers responding to these context bound issues It is particularly relevant for study and research in the fields of applied psychology sociology ethnography biography and anthropology In addition to their unique combination of conceptual and application issues the chapters also include discussions on ethical considerations relevant to the method in similar global South contexts *Transforming Research Methods in the Social Sciences* has much to offer to researchers professionals and others involved in social science research both locally and internationally

**Directory of Research Grants 2008** Schoolhouse Partners Llc, 2008-05 It was the 50s and life was simple until September 25 1954 That was the night that would be etched in the memory of the citizens of Stanfield Massachusetts The Chief of Police described the brutal savagery of the double homicide as the most atrocious crime in the history of the city A fourteen year old girl and the four year old boy in her care were murdered at the hands of a deranged depraved killer *A Thread of Evidence* places the reader at the scene of the crime an eye witness to the senseless stabbing of two innocent children With a piece of crochet thread as their only clue the entire police department lead by detectives Steven Logan and Raymond Gage scour the city in search of a maniacal savage When all tips and leads have been exhausted they review all evidence They come back to the thread The only real evidence With tenacity and perseverance of Logan and Gage the killer is apprehended The reader experiences the twists and turns of the investigation and ultimately occupies a reserved seat in the Superior Court as the trial proceedings commence *A Thread of Evidence* has been written as fiction but inspired by an actual event Fifty years later it remains etched in the minds of all who had lived in the area The author has researched court records newspapers interviewed neighbors police and has drawn on personal recollections of the crime The story has been recounted over and over and to this day it continues to be discussed *A Thread of Evidence* is a compelling account of superb detective work and unprecedented dedication of an entire police department

*New Export China* Alex Burchmore, 2023-06-20 Why do so many contemporary Chinese artists use porcelain in their work In *New Export China* Alex Burchmore presents a deep dive into a unique genre of ceramic art to describe a framework for a broader art practice Focusing on the work of four artists from the 1990s through the 2010s Liu Jianhua Ai Weiwei Ah Xian and Sin ying Ho Burchmore reveals how the materiality of ceramics has been used to highlight China s role in global trade and to explore the

function of this medium as a vessel for the transmission of Chinese art culture and ideas From its historical pedigree and transcultural relevance to its material allure and anthropomorphic resonance porcelain offers artists a unique way to move between the global and the intimate the mass produced and the handmade and the foreign and the domestic By dissecting both the legacy of porcelain export and current networks of exchange Burchmore ultimately demonstrates why this ceramic practice is crucial to understanding the development of Chinese contemporary art **The Grants Register 2023** Palgrave Macmillan,2022-09-28 The Grants Register 2023 is the most authoritative and comprehensive guide available of postgraduate and professional funding worldwide It contains international coverage of grants in almost 60 countries both English and non English speaking information on subject areas level of study eligibility and value of awards and information on over 6 000 awards provided by over 1 300 awarding bodies Awarding bodies are arranged alphabetically with a full list of awards to allow for comprehensive reading The Register contains full contact details including telephone fax email and websites as well as details of application procedures and closing dates It is updated annually to ensure accurate information

*Uganda* Jörg Wiegratz, Giuliano Martiniello, Elisa Greco, 2018-11-15 For the last three decades Uganda has been one of the fastest growing economies in Africa Globally praised as an African success story and heavily backed by international financial institutions development agencies and bilateral donors the country has become an exemplar of economic and political reform for those who espouse a neoliberal model of development The neoliberal policies and the resulting restructuring of the country have been accompanied by narratives of progress prosperity and modernisation and justified in the name of development But this self celebratory narrative which is critiqued by many in Uganda masks the disruptive social impact of these reforms and silences the complex and persistent crises resulting from neoliberal transformation Bringing together a range of leading

scholars on the country this collection represents a timely contribution to the debate around the New Uganda one which confronts the often sanitised and largely depoliticised accounts of the Museveni government and its proponents Harnessing a wealth of empirical materials the contributors offer a critical multi disciplinary analysis of the unprecedented political socio economic cultural and ecological transformations brought about by neoliberal capitalist restructuring since the 1980s The result is the most comprehensive collective study to date of a neoliberal market society in contemporary Africa offering crucial insights for other countries in the Global South

*Leaving a Violent Relationship* Adele Jones, 2021-05-06 Intimate partner violence IPV defined as physical sexual emotional and economic abuse and controlling behaviors inflicted within intimate partner relationships is a global crisis that extends beyond national and sociocultural boundaries affecting people of all ages religions ethnicities and economic backgrounds Though studies exist that seek to explain how people become trapped within violent relationships and what factors facilitate survival escape and safety this book provides fresh insights into this complex and multifaceted issue People often ask of women in abusive relationships why does she stay Critics suggest that this question carries implicit notions of victim blame and fails to hold to account the perpetrators of abuse The studies described in this book however explore the question from the perspectives of survivors and represent a shift away from individual pathology to an approach based on the recognition of structural oppression agency and resilience Comprising eight chapters new theoretical frameworks for the analysis of IPV are provided to guide practitioners and policy makers in improving services for vulnerable people in abusive relationships and a range of studies into the experiences of a diverse range of survivors including mothers in Portugal women who experienced child marriage in Uganda and refugees in the United States of America generate findings which elucidate perspectives from marginalised and under researched groups

**The Beautiful Game Reimagined** Lívia Gonçalves Magalhães, 2025-04-08 The Beautiful Game Reimagined Women's Soccer in Brazil challenges long held notions of the country's enduring football heritage by highlighting the influential and rapidly evolving sphere of women's soccer Through a wide range of interdisciplinary research from oral histories capturing personal experiences to advanced digital methods uncovering lost narratives this anthology offers a unique lens on the historical and cultural significance of women's contributions to the sport By focusing on underrepresented stories the collection not only reshapes the image of Brazil as a football powerhouse but also emphasizes the urgent need for greater recognition of women athletes past and present In these pages scholars explore how shifting forms of finance sponsorship and social media are fueling the growth of the women's game demonstrating that the sport's future lies in the hands and feet of female players The volume addresses the intersections of race and regional identities extending the conversation beyond traditional narratives and giving voice to those who have long been sidelined With rigorous analysis and forward thinking perspectives The Beautiful Game Reimagined weaves together groundbreaking research that redefines how we understand and appreciate soccer in Brazil This anthology provides an illuminating roadmap for future scholarship while capturing the

energy creativity and determination that characterize women's participation in soccer Readers will come away with a renewed appreciation for the boundless potential that lies in embracing women's soccer a transformation that as this work suggests has the power to revitalize and redefine Brazilian football In capturing the aspirations of women athletes it unveils a new era
