Henslin,2007-02-13 Presents a selection of forty six readings that provide an introduction to the sociological perspective look at how sociologists conduct research examine the cultural underpinnings of social life and discuss social groups and social structure gender and sexuality deviance and social stratification institutions and change

Study Guide Plus Sociology Gwendolyn E. Nyden,1998-08 **Cataloguing and Classification** Fotis Lazarinis,2014-12-11 Cataloguing and Classification introduces concepts and practices in cataloguing and classification and common library standards The book introduces and analyzes the principles and structures of library catalogues including the application of AACR2 RDA DDC LCC LCSH and MARC 21 standards and conceptual models such as ISBD FRBR and FRAD The text also introduces DC MODS METS EAD and VRA Core metadata schemes for annotating digital resources Explains the theory and practice of bibliographic control Offers a practical approach to the core topics of cataloguing and classification Includes step by step examples to illustrate application of the central cataloguing and classification standards Describes the new descriptive cataloguing standard RDA and its conceptual ground FRBR and FRAD Guides the reader towards cataloguing and classifying materials in a digital environment Careers in Sociology W. Richard Stephens,1995 Health and Inequality in Standup Comedy Sean M. Viña,2023-07-31 In Health and Inequality in Standup Comedy Stories That Challenge Stigma Sean M Vi a explores the power of open conversations in reducing stigma Using standup comedy as a lens the book delves into the experiences of ninety nine diverse comedians revealing how they disclose their stigmas in public and what prevents some from having open conversations The author argues that the scope of stigma resistance is defined by the prejudice of those who stigmatize making it an unequal endeavor that requires structural change to truly make a difference Through the voices of these comedians Health and Inequality in Standup Comedy challenges us to reconceptualize our approach to fighting stigma and discrimination and highlights the importance of implementing policies that decrease

segregation A compelling and eye opening read for anyone interested in understanding the power of social contact through the unequal standup comedy world **Celibacy, Seminary Formation, and Catholic Clerical Sexual Abuse** Vivencio O. Ballano, 2024-04-30 Does the current celibate semi monastic and all male seminary formation contribute to the persistence of clerical sexual abuse in the Roman Catholic Church Applying sociological theories on socialization total institutions and social resistance as the primary conceptual framework and drawing on secondary literature media reports the author s experience interviews and Church documents this book argues that the Catholic Church s institution of the celibate seminary formation as the only mode of clerical training for Catholic priests has resulted in negative unintended consequences to human formation such as the suspension of normal human socialization in society psychosexual immaturity and weak social control against clerical sexual abuse The author thus contends that celibate training while suitable for those who do live in religious or monastic communities is inappropriate for those who are obliged to live alone and work in parishes As such an alternative model for diocesan clerical formation is advanced A fresh look at the aptness and effects of celibate formation for diocesan clergy this volume is the first to relate the persistence of Catholic clerical sexual abuse to celibate seminary formation exploring the structural links between the two using sociological arguments and proposing an apprenticeship based model of formation which has numerous advantages as a form of clerical training It will therefore appeal to scholars and students of religion sociology and theology as well as those involved with seminary formation **Study Guide, Social Problems, Fifth Edition, James H. Henslin** Henry Borne, 2000 *Sexual Behavior in the 1970s* Morton M. Hunt, 1974 Sociology in Everyday Life David Allen Karp, William C. Yoels, 1998 This text shows that there are underlying patterns to everyday life that these patterns become obvious only when we begin to look very hard at everyday phenomena then applying sociological concepts to them Tough Fronts L. Dance, 2012-11-12 Tough Fronts takes the difficult issues in urban education head on by putting street savvy students at the forefront of the discussion on how to best make successful changes for inner city schools Individual chapters discuss scholarly depictions of black America the social complexity of the teacher student relationship individual success stories of at risk programs popular images of urban students and implications for education policy With close attention to the voices of individual students this engaging book gives vitality and legitimacy to arguments for school changes that have been lacking in previous discussions **Little Big Men** Alan M. Klein, 1993-08-24 Little Big Men is a study of competitive bodybuilders on the West Coast that examines the subculture from the perspective of bodybuilders everyday activities It offers fascinating descriptions and insightful analogies of an important and understudied subculture that has risen to widespread popularity in today s mass culture Alan Klein conducted his field study of bodybuilding in some of the world s best known gyms In studying the social and political relations of bodybuilding competitors Klein explores not only gym dynamics but also the internal and external pressures bodybuilders face Central to his examination is the critique of masculinity Through his study of hustling among bodybuilders Klein is able to construct a social psychological male

configuration that includes narcissism homophobia hypermasculinity and fascism Because they exist as exaggerations these bodybuilder traits come to represent one end of the continuum of modern masculinity what Klein terms comic book masculinity This study is a rare foray into the critique of contemporary American macho *Experiencing the Impossible* Gustav Kuhn, 2019-03-12 This thought provoking tour through the science of magic will make you question what you know about your brain and your reality A psychologist and magician shows how the scientific study of magic reveals intriguing and often unsettling insights into the mysteries of the human mind What do we see when we watch a magician pull a rabbit out of a hat or read a person's mind We are captivated by an illusion we applaud the fact that we have been fooled Why do we enjoy experiencing what seems clearly impossible or at least beyond our powers of explanation In *Experiencing the Impossible* Gustav Kuhn examines the psychological processes that underpin our experience of magic Kuhn a psychologist and a magician reveals the intriguing and often unsettling insights into the human mind that the scientific study of magic provides Magic Kuhn explains creates a cognitive conflict between what we believe to be true for example a rabbit could not be in that hat and what we experience a rabbit has just come out of that hat Drawing on the latest psychological neurological and philosophical research he suggests that misdirection is at the heart of all magic tricks and he offers a scientific theory of misdirection He explores among other topics our propensity for magical thinking the malleability of our perceptual experiences forgetting and misremembering free will and mind control and how magic is applied outside entertainment the use of illusion in human computer interaction politics warfare and elsewhere We may be surprised to learn how little of the world we actually perceive how little we can trust what we see and remember and how little we are in charge of our thoughts and actions Exploring magic Kuhn illuminates the complex and almost magical mechanisms underlying our daily activities

In Search of Derrick Todd Lee Stan Weeber, 2007 This book is about criminologist Maurice Godwin's Internet social movement that sprang to life during the Baton Rouge serial murder case The movement was a response to the Task Force failing to find serial killer Derrick Todd Lee as citizens in Baton Rouge South Louisiana and South Mississippi no longer wished to wait in fear This is a story of citizen empowerment in a time of crisis Both scholars and ordinary citizens will be inspired by the way the people in Baton Rouge helped themselves by putting pressure on investigators for improved results Godwin's innovative Internet movement involving geographic mapping and online discussions with Baton Rouge citizens developed into a hub of information to expedite the finding and arrest of Lee The author sociologically describes and analyzes the key players the major controversies and the internal dynamics of the movement that led to the arrest of the serial killer on May 27 2003

Aboriginal Voices and the Politics of Representation in Canadian Introductory Sociology Textbooks John Steckley, 2003 The philosophical underpinnings of this textbook make it a most interesting read for scholars of Aboriginal Studies the social sciences humanities and cultural studies and humanistic curriculum development John Steckley's familiarity with and respect for the epistemology of the Huron Mohawk and Ojibwa peoples enlightens and enables

his research In this book he provides a critical framework for assessing Aboriginal content in introductory sociology textbooks He defines what is missing from the seventy seven texts included in his study of the manifestation of cultural hegemony in Canadian sociology textbooks This critique is suitable for students and professors of sociology as Dr Steckley addresses the impact of the ellipses from the textbooks they have traditionally used **Revolution and Renewal** Anthony Campolo, Bruce Main, 2000-01-01 Having worked for three decades to develop urban ministries Campolo suggests ways that churches can help resurrect beleaguered inner cities illustrating proven methods used in Camden New Jersey **The Writer's Handbook for Sociology** Dona Young, 2019-01-10 The Writer s Handbook for Sociology gives students the tools that they need to develop evidence based writing skills and format academic papers in American Psychological Association APA and American Sociological Association ASA style This book helps learners develop a reader friendly writing style incorporating active voice parallel structure and conciseness In addition grammar and mechanics are presented in a systematic way to facilitate learning helping students fill learning gaps **Popular Religion in America** Peter W. Williams, 1980 Williams provides a thought provoking overview of popular religion in America that will intrigue specialist and student alike He has both answered many questions and raised important new ones on the nature and development of American popular religion Journal for the Scientific Study of Religion Pioneering I for one am glad he combined scholarship and chutzpah for this modestly immodest first word Catholic Historical Review Learn Sociology Edward Brent, Edward E.
