Sociology Matters

Richard T. Schaefer

Sociology Richard Schaefer 6th Edition

Hermann Mvula

Sociology Richard Schaefer 6th Edition:

Sociology CN Shankar Rao, 2012 This textbook has been comprehensively written to acquaint the students with the fundamental concepts of sociology as well as provide an introduction to the diverse field of sociology. Students will be introduced to the origins of sociology as a discipline and would get acquainted with relevant topics such as inequality, institutions, control, change, disorganisation, problems in the society. Topics such as applied sociology and social thought have also been provided to give a complete overview of the subject. This textbook not only caters as a primary text to the undergraduate students of Sociology but is also a useful reference for postgraduate students and aspirants appearing for various competitive examinations.

Dictionary of Military Sociology Dr. George Kaffes, 2024-05-28 Although Moskos showed the way to this particular field of Military Sociology, Dr. George Kaffes, sociologist and teacher for over thirty years in the Hellenic Army Academy, felt the necessity of a first introductory but academic work in order to offer the Dictionary of Military Sociology. From the small Greek island of Kastellorizo, where he finished this work, Dr. Kaffes' goal is to give the opportunity by gathering all these terms including military sociologists and researchers, some significative military leaders, a small but significative slang vocabulary and some operational terms to every sociologist whose interest is about military and society to have this very special tool in hands. Another goal of Dictionary of Military Sociology is to show some terms of military slang which is a colloquial language used by and associated with members of various military forces. About the Author: Dr. George Kaffes is a Military Sociologist and has taught Military Sociology as a fulltime professor at the Hellenic Army Academy for more than thirty years. He focuses his research more on sociology of violence and war, sociology of terrorism, gender in the militaries and army sociology. He is married with one daughter and he speaks more than his mother language which includes Greek, French, Portuguese, English and German. His book is destined to all researchers, militaries, cadets and everyone who is interested in the field of military sociology.

Sociology John Ambenge, 2021-03-15 The book features real life examples and amazing diversity focusing on sociology's unique ability to personally resonate well with students' experiences. Throughout the text, the author carefully balances coverage of core topics and contemporary changes in society. Every chapter explores unique topics such as same sex marriage, Boko Haram, mob justice, Sharia law, as well as issues of inequality related to race, ethnicity, gender, social class, and urbanization. The text empowers students to use the lenses of sociological imagination to see sociology in everyday life. Using sociological imagination theory and sociological perspectives, the text helps students move beyond individual perspective to gain a sociological perspective.

The Bible and the Public Square Hermann Mvula, 2024-02-18 For too long Africa has presented a conundrum as its profound reception of the Bible is juxtaposed with a public life that often seems devoid of biblical values. In this highly original analysis, Mzee Hermann Mvula boldly seeks to bridge this ugly chasm by showing what biblical teaching can mean for many different aspects of social and political life. Kenneth R. Ross, Professor of Theology and Dean of Postgraduate Studies, Zomba Theological University.

Ebook: Sociology: A Brief Introduction Schaefer,2014-10-16 Ebook Sociology A Brief Introduction **Debating Social Problems** Leonard A. Steverson,Jennifer E. Melvin,2018-09-03 Debating Social Problems emphasizes the process of debate as a means of addressing social problems and helps students engage in active learning The debate format covers sensitive material in a way that encourages students to talk about this material openly in class This succinct text includes activities that promote critical thinking and includes examples from current events *First Contact* Nancy A. Greenwood,Jay R. Howard,2011-08-16 The Introduction to Sociology course is usually the first contact that students have with the discipline of sociology This course can determine whether students take other sociology courses or learn to use sociology in their lives as adults and citizens First Contact identifies important issues facing instructors in introducing students to the sociological imagination Drawing on the literature of teaching and learning in sociology and higher education more broadly First Contact provides an overview of the scholarship of teaching and learning best practices and other essential information to create a successful first course in sociology It walks the instructor through the course design process from learning about whom your students are determining appropriate course goals and learning objectives and using these ideas to design execute and assess your course It examines the core content of a first course It discusses how to design a syllabus select textbooks and readings as well as how to design and deliver effective lectures facilitate good discussions and other course delivery options An invaluable resource for anyone teaching the introductory sociology course including grad students new professors and seasoned instructors who seek renewal in their approach to teaching this critical course in the sociology curriculum

Race, Gender, and Identity Georgia A. Persons,2017-07-05 This volume examines race gender and identity in African American culture As with previous volumes in the series these collected essays provide a social science and interdisciplinary framework for the exploration of Africana cultural and social phenomena The contributors have adopted mixed methods and meta theory tools of analysis to describe and evaluate these issues from an African centered perspective Kameelah Martin examines the role of women in the films of Julie Dash and Kasi Lemmons Toya Roberts offers an experimental study of African American males at predominantly white institutions of higher education Rochelle Brocks digs into the transition transformation and transcendence of civil rights to the Black Arts Black Power movements for social change Portia K Maultsby provides an ethnographic study inspecting the genre of funk music in the United States James L Conyers Jr analyzes the doctoral dissertation of W E B Du Bois which cataloged the impact of colonialism on Africana culture Kesha Morant Williams and Ronald L Jackson II examine the impact of lupus on the identity of African American women Ronald Turner s essay examines black workers challenging racist practices by their union representatives Lisbeth Gant Britton renders a conceptual history of the hip hop community with emphasis on international issues This volume is an invaluable sourcebook for those studying African American affairs history and cultural studies **Encyclopedia of Race, Ethnicity, and Society** Richard T. Schaefer,2008-03-20 This encyclopedia offers a comprehensive look at the roles race and ethnicity

play in society and in our daily lives Over 100 racial and ethnic groups are described with additional thematic essays offering insight into broad topics that cut across group boundaries and which impact on society **Annotated Instructor's Edition**

Richard T. Schaefer, Robert P. Lamm, 1998 **The Critical Phenomenology of Intergroup Life** Evandro

Camara, 2020-12-04 This book is dedicated to a critical analysis of race relations and inequality through the prism of Schutzian social phenomenology which focuses on the world of intersubjectivity and the complex of meanings that orient the conduct of individuals and groups The phenomenological approach provides a more intimate look at how the societal imposition of negative racial meanings on racialized persons crucially determines the construction of the minority subjectivity as essential otherness thus becoming a pivotal support of race based inequality **Extraordinary Groups** Richard T.

Schaefer, William W. Zellner, 2007-05-18 This updated text takes an interdisciplinary look at eight extraordinary groups of people throughout American history Each chapter is organized around a sociological principle which is then illustrated by a descriptive explanation of the lifestyles of these unique groups *Sociology Matters* Richard T. Schaefer, 2007-02-23

Richard Schaefer's *Sociology Matters* is a very concise introduction to the discipline of sociology Its straightforward style streamlined design and highly focused coverage make it the perfect short affordable introductory text for instructors who use a variety of materials in their course *Sociology Matters* helps students understand and connect to the topics it covers by answering the question How does sociology matter After more than 30 years of teaching sociology to students in colleges adult education programs nursing programs an overseas program based in London and even a maximum security prison I am firmly convinced that the discipline can play a valuable role in teaching critical thinking skills Sociology can help students to better understand the workings of their own lives as well as of their society and other cultures Richard T Schaefer

Sources Kurt Finsterbusch, 1998-10 Forty six selections classic articles book excerpts and case studies that have shaped the study of society and our contemporary understanding of it preface *American Book Publishing Record*, 2005

Taking Sides Kurt Finsterbusch, George McKenna, 1999 This debate style reader is designed to introduce students to controversies in sociology and social problems The readings which represent the arguments of leading social scientists and social commentators reflect a variety of viewpoints and are presented in pro con format *Invitation to the Sociology of International Law* Moshe Hirsch, 2015-11-05 *Invitation to the Sociology of International Law* aims to cast light on the under explored sociological dimension of international law The book emphasizes that international legal rules are profoundly embedded in diverse social factors and processes such as norms identity and collective memory Thus international law often reflects and affects societal factors and processes in state societies and in the international community The book exposes some central tenets of the sociological perspective and its core theoretical approaches and presents a sociological analysis of several significant topics in present day international law The volume surveys subjects such as compliance international economic law legal fragmentation law making and the impartiality of adjudicators and reveals that a sociological analysis of

international law enriches our understanding of social factors involved in the formation evolution and implementation of the law Such analysis may not only explain past and present trends in international law but also bears significant implications for the interpretation of existing legal provisions as well as suggesting better legal mechanisms for coping with contemporary challenges In light of the underlying interrelationships between international law and other social factors this book invites international law specialists to analyse international legal rules in their wider social context and to incorporate sociological tools into mainstream international law scholarship

Latinos in American Society Ruth Enid Zambrana,2011-06-15 It is well known that Latinos in the United States bear a disproportionate burden of low educational attainment high residential segregation and low visibility in the national political landscape In *Latinos in American Society* Ruth Enid Zambrana brings together the latest research on Latinos in the United States to demonstrate how national origin age gender socioeconomic status and education affect the well being of families and individuals By mapping out how these factors result in economic social and political disadvantage Zambrana challenges the widespread negative perceptions of Latinos in America and the single story of Latinos in the United States as a monolithic group Synthesizing an increasingly substantial body of social science research much of it emerging from the interdisciplinary fields of Chicano studies U S Latino studies critical race studies and family studies the author adopts an intersectional social inequality lens as a means for understanding the broader sociopolitical dynamics of the Latino family considering ethnic subgroup diversity community context institutional practices and their intersections with family processes and well being Zambrana a leading expert on Latino populations in America demonstrates the value of this approach for capturing the contemporary complexity of and transitions within diverse U S Latino families and communities This book offers the most up to date portrait we have of Latinos in America today

Sociology Jon M. Shepard,1999 This comprehensive mainstream text presents the basic theoretical conceptual and methodological tenets of sociology in a readable and personal manner Its balanced presentation challenges students to pose their own questions about society and to think critically about the world in which they live It presents the study of sociology as a means by which students can transcend personal and societal prejudices This Seventh Edition continues its tradition of integrating innovative pedagogy directly into the book such as a built in student study guide lecture launching CNN video segments that link to text specific topics and continued use of the SQ3R survey question read recite and review learning technique

New Worlds Joe Cortina,Janet Elder,2003-03 *New Worlds* is an introductory college reading improvement text that applies the successful approach of the authors *Opening Doors* and *Comprehending College* textbooks and Janet Elder's *Exercise Your College Reading Skills* in a format designed to help lower level developmental reading students succeed in college This approach presents skills clearly in a structured approach that emphasizes comprehension and provides thorough on going practice and application of the skills This second edition includes fuller explanations more practice exercises ten new reading selections expanded quizzes for all reading selections and a wealth of new media support
