

6. How are race and lineage (i.e. one's ancestry) important in *The Hobbit*? Do race and lineage define how one is treated and what one can achieve? Explain.
7. There aren't any major female characters in *The Hobbit*. What is your opinion of this? Why?
8. Some have read *The Hobbit* as an allegory of events surrounding World War II. Tolkien published the work in 1937, which is right when tensions were flaring among several countries. Tolkien denied that *The Hobbit* was written solely and exclusively as an allegory, especially in the prologue of *The Lord of the Rings: The Fellowship of the Ring*. Using your knowledge of WWII from World History, note how the plot captures the events and values of this time period. For example, what races in Middle Earth mirror nationalities at this time period?
9. Many of you are probably familiar with the dark nature of the ring that comes in *The Lord of the Rings* trilogy. What foreshadowing of the ring's destructive nature do you see in *The Hobbit*?
10. *The Hobbit* has been a very influential work in the fantasy genre. What characteristics in *The Hobbit*, with its character archetypes, plot, language, structure or theme do you see in other literature that you have read or seen. How are they similar or different?
11. Write your own question that you would like to discuss with the class here: _____
