Evaluation Process/Scoring - Players are scored in 5 general categories: hitting, fielding ground balls, fielding fly balls, if category will be scored on a scale of 1-5 with 5 being the best possible points allowed. Players are then ranked based on highest possible. In hitting coaches are looking for form, bat speed, contact point and drive of the ball off the bat. Fielding fielding 5 ground balls from the shortstop position and completing the play by throwing to first base. Coaches are looking and accuracy, this gives the coach the opportunity to judge fielding the ball and half of the throwing category. Fielding po balls in the outfield and completing the play by throwing to the designated cutoff man or base. As in fielding grounders or characteristics: form, angle of approach, aggressiveness and accuracy. This will allow the coach to judge the player's ability coaches to see a player's arm strength from having to throw from further away.

Athleticism/potential is a coach's personal opinion of whether or not a player might have some tools to become a really g in their entirety. This is a hard category to judge because it is something that a coach will have to have a hunch about. C two different ways. The score of this category can be eliminated if the coach doesn't feel comfortable with making these
