**The Witness of Science to the Method of Christ's Kingdom and the Work of the Holy Spirit** John Coutts, 1903

**The Life and Witness of Jeremiah** Larry R. Helyer, 2019-10-23

The Life and Witness of Jeremiah introduces the general reader to the Hebrew prophet Jeremiah As such it provides an overall sketch of his life and times and serves as a portal into his thought world Jeremiah is among the most eloquent and passionate prophets in the Hebrew Bible For readers who enjoy evocative poetry and harrowing accounts of near death experiences Jeremiah merits careful reading One of the primary purposes in writing this book is to assist the reader in negotiating its anthology format and disorderly arrangement To this end the author provides in six chapters a thematic and topical approach to important aspects of Jeremiah s career and message that speak powerfully to our own day In other words this book focuses on applied theology How does what Jeremiah said then relate to readers now The book of Jeremiah is remarkably relevant especially in its interface between faith and politics The author also approaches this exposition of Jeremiah from a biblical theology perspective by connecting his preaching with the canon of sacred Scripture A major concern is to place Jeremiah s prophecy within the broader context of redemptive history

Soul Survivor Philip

Yancey, 2002-01-29 One of America s leading Christian thinkers interweaves the story of his own struggle to reclaim his beliefs with inspiring portraits of people who have succeeded in the pursuit of an authentic faith In Soul Survivor Philip Yancey charts his spiritual pilgrimage through the influence of key individuals These are the people who ushered me into the Kingdom In many ways they are why I remain a Christian today and I want to introduce them to other spiritual seekers Yancey interweaves his own journey with fascinating stories of those who modeled for him a life enhancing rather than a life constricting faith Dr Paul Brand G K Chesterton Annie Dillard Frederick Buechner C Everett Koop Leo Tolstoy Fyodor Dostoevsky Henri Nouwen John Donne Mahatma Gandhi Shusaku Endo Martin Luther King Jr Robert COles Readers will find these inspiring portraits both nurture and challenge for their own understanding of authentic faith Yancey fans will devour these new glimpses of how he has held onto faith while acknowledging with utter honesty its inherent difficulties New Yancey readers will be drawn in by the theme of faith versus religion and drawn along a compelling narrative of signposts on a spiritual journey Soul Survivor offers illuminating and critically important insights into true Christianity which will enrich the lives of veteran believers and cautious seekers alike

*Connecting Christ* Paul Louis Metzger, 2012-05-07 We live in a

multifaith society an ever growing diverse cultural climate where no religion is viewed as having a monopoly on truth It is important when that Christ followers not only share the Word of God but also listen and learn how to interact meaningfully with those of diverse perspectives as we engage in life s most important conversations Connecting Christ encourages believers to be not only better communicators and witnesses but also listeners to people of other worldviews and traditions skills that are crucial in defending against today s negative connotations and ineffective approaches associated with Christian evangelism With extensive commentary from leaders of various walks of faith and life from Judaism to Islam and Buddhism to atheism theologian and author Dr Paul Louis Metzger offers a spiritual compass to help navigate the intimidating yet critical dialogue of conveying our faith in Christ Filled with practical guidance and insight into controversial topics such as hell fascism and homosexuality Connecting Christ reveals that there is a way of evangelizing that is neither disengaging monologue nor silent lifestyle ministry but is instead an approach for evangelism and dialogue to go hand in hand We must remove ourselves as the stumbling block to salvation for others and embrace a way to proclaim the uncommon compassionate God revealed in Jesus Christ the Savior this world is dying to know
