frequently sung today Author Gilbert Chase writes that Amazing Grace is without a doubt the most famous of all the folk hymns and Jonathan Aitken a Newton biographer estimates that it is performed about 10 million times annually It has had particular influence in folk music and become an emblematic African American spiritual Its universal message has been a significant factor in its crossover into secular music Amazing Grace saw a resurgence in popularity in the U S during the 1960s and has been recorded thousands of times during and since the 20th century sometimes appearing on popular music charts So what separates this book from the rest A comprehensive narrative of Amazing Grace this book gives a full understanding of the subject A brief guide of subject areas covered in 1772 Works Amazing Grace include Amazing Grace John Newton Olney Hymns Find out more of this subject it s intricacies and it s nuances Discover more about it s importance Develop a level of understanding required to comprehend this fascinating concept Author Andra English has worked hard researching and compiling this fundamental work and is proud to bring you 1772 Works Amazing Grace Read this book today
