Bwwm Interracial Romance Mary Stone Ashford, 2016-10-01 Download for FREE with Kindle Unlimited This is a 8 000 words EROTIC stand alone story with an HEA so no cliff hangers. For Nathan Barrett, life is about fun. For Elizabeth Toulouse, life is about work. So when these two become fast friends, their adventures are anything but normal. As a romantic interest begins to bloom, Elizabeth begins to question her relationships with both Nathan and her fiancé who's away in Africa. Just as her personal crisis comes to a head, her fiancé makes her an offer that she can't refuse, putting everything, including her newfound love, in jeopardy.

EXCERPT FROM BOOK I'm really sorry but I'm allergic to bullshit and if I stay here any longer I might break out in hives. I said. The woman's painted on eyebrows drew together. Excuse me, she hissed. We're leaving. It was great meeting you, I said. I turned on my heel and left, guiding Elizabeth so she didn't do anything stupid like apologize. When we got out of the club, she turned towards me, her expression wavering between awed and horrified. What possessed you to do that, she asked, not loudly but definitely audible. They were treating you badly. I don't like it when people are assholes to my friends, I said, shoving my hands into my pockets. She stared at me for a second and I thought that she might have a meltdown. Then she did something that I didn't expect. She laughed. She laughed and laughed, doubling over as she laughed, which gave me a shameful and excellent view of the white lacy bra she was wearing underneath the dress. She steadied herself on my arm as she slowly stopped laughing. I don't think I've ever had a friend that is quite so strange as you, she said. I smiled. I'll take that as a compliment, I said. She threw her arms around my waist and squeezed me quickly. Let's go. I owe you a drink, she

said I nodded and we walked away I couldn't stop thinking about the feeling of her breasts pressed up against my chest
