Sobering Wisdom Philosophical Explorations Of Twelve Step Spirituality:

Sobering Wisdom Jerome A. Miller, Nicholas Plants, 2014-12-31 Originally developed by Alcoholics Anonymous the Twelve Step program now provides life direction for the millions of people worldwide who are recovering from addiction and undergoing profound personal transformation Yet thus far it has received surprisingly little attention from philosophers despite the fact that like philosophy the program addresses all important questions regarding how we ought to live In *Sobering Wisdom* Jerome A Miller and Nicholas Plants offer a unique approach to the Twelve Step program by exploring its spirituality from a philosophical point of view Drawing on a variety of thinkers from Aristotle to William James and from Nietzsche to Foucault as well as a diverse range of philosophical perspectives including naturalism Buddhism existentialism Confucianism pragmatism and phenomenology the contributors to this volume address such questions as the relation of personal responsibility to an acknowledgment of powerlessness the existence of a higher power and the role of virtue in recovery Ranging in tone from deeply scholarly to intensely personal their essays are written in an accessible way for a broad audience that includes not only philosophers theologians and psychologists but also spiritual directors health professionals and addiction counselors Perhaps most important the book is also conceived for those involved in Twelve Step programs whose lives are being transformed by the experience *The Bloomsbury Handbook of Religion, Gender and Sexuality* Sonya Sharma, Dawn Llewellyn, Sian Hawthorne, 2024-06-13 Bringing together disciplines across the arts humanities and social sciences this Handbook presents novel and lively examinations of the dynamic ways religion gender and sexuality operate Applying feminist intersectional and reflexive approaches the volume aims to loosen imperialist and exclusionary figurations that have underwritten and tethered religion gender and sexuality together While holding onto the field of inquiry the Handbook offers contributions that interrogate and untie it from the terms and conditions that have formed it The volume is organized into thematic sections Forces and Futures Activisms and Labors Agencies and Practices Relationships and Institutions Texts and Objects Chapters range across religious geographical historical political and social contexts and feature an array of case studies experiences and topics that exemplify the reflexive intention of the volume including explorations of race whiteness colonialism and the institutional intolerance of minority groups Contributors also advance new areas of research in religion including artificial intelligence farming migrant mothering child sexual abuse mediatization national security legal frameworks addiction and recovery decolonial hermeneutics creative arts sport sexual practices and academic friendship This is an essential contribution to the fields of religious studies and gender and sexuality studies **A Critical Introduction to Fictionalism** Frederick Kroon, Jonathan McKeown-Green, Stuart Brock, 2018-12-13 A Critical Introduction to Fictionalism provides a clear and comprehensive understanding of an important alternative to realism Drawing on questions from ethics the philosophy of religion art mathematics logic and science this is a complete exploration of how fictionalism contrasts with other non realist doctrines and motivates influential fictionalist treatments across a range

of philosophical issues Defending and criticizing influential as well as emerging fictionalist approaches this accessible overview discusses physical objects universals God moral properties numbers and other fictional entities Where possible it draws general lessons about the conditions under which a fictionalist treatment of a class of items is plausible Distinguishing fictionalism from other views about the existence of items it explains the central features of this key metaphysical topic Featuring a historical survey definitions of key terms characterisations of important subdivisions objections and problems for fictionalism and contemporary fictionalist treatments of several issues A Critical Introduction to Fictionalism is a valuable resource for students of metaphysics as well as students of philosophical methodology It is the only book of its kind

Patients Making Meaning Bryna Siegel Finer, Cathryn Molloy, Jamie White-Farnham, 2023-09-20 This book explores how women make meaning at various health flashpoints in their lives overcoming fear anxiety and anger to draw upon self advocacy research and crucial decision making Combining focus group research content analysis autoethnography and textual inquiry the book argues that the making and remaking of what we call patient epistemologies is a continual process wherein a health flashpoint sometimes a new diagnosis sometimes a reoccurrence or worsening of an existing condition or the progression of a natural process can cause an individual to be thrust into a discourse community that was not of their own choosing This study will interest students and scholars of health communication rhetoric of health and medicine women s studies public health healthcare policy philosophy of medicine medical sociology and medical humanities *Life on the Rocks* Peg O'Connor, 2016-01-12 A unique exploration toward an understanding of the nature of recovery from active addiction using the perspective of western philosophy *The Realizations of the Self* Andrea Altabrando, Takuya Niikawa, Richard Stone, 2018-09-11 Recent discussions of self realization have devolved into unscientific theories of self help However this vague and often misused concept is connected to many important individual and social problems As long as its meaning remains unclear it can be abused for social political and commercial malpractices To combat this issue this book shares perspectives from scholars of various philosophical traditions Each chapter takes new steps in asking what the meaning of self realization is both in terms of what it means to understand who or what one is and also in terms of how one can or should fulfill oneself The conceptual elucidations achieved from both theoretical and practical perspectives allow for a more mature awareness of how to deal with discourses on self realization and in any case can help to demystify the subject

Conversion as Transformation Dominic Arcamone, 2020-01-29 The process of human transformation is complex and ongoing This book presents a framework for understanding human transformation through the insights of Bernard Lonergan The reader will be introduced to terms such as the turn to the subject consciousness subjectivity and intersubjectivity It will explore terms such as horizon feelings values self esteem sublation conversion dialectic and religious experience The book explores transformation through the way mentors have authored their own lives told their own stories and taken possession of their interiority Transformation is illustrated through the lives of saints and ordinary men and women who did

extraordinary things such as St Augustine Dag Hammarskjöld Vaclav Havel Franz Jaggerstatter St Therese of Lisieux Fredrich Nietzsche Katherine Ann Power and Marie Cardinal Transformation is also illustrated through the medium of cinema Babette's Feast The Mission As It is in Heaven Romero Dead Poets Society Ordinary People The Godfather trilogy Three Color trilogy The Lord of the Rings trilogy Dial M for Murder and Twelve Angry Men While the book treats religious moral affective intellectual and psychic conversion as moments of transformation it argues that ecological conversion requires all of these so as to meet the most serious moral challenge of our time

The Palgrave Handbook of Philosophy and Psychoactive Drug Use Rob Lovering, 2024-10-14 In this Handbook philosophers from around the world address the metaphysics epistemology and value of psychoactive mind altering drug use In so doing they attempt to answer questions such as What does the fact of drug induced mind altering experiences tell us about natures of the mind free will and God What does it tell us about what and how we can know Are drug induced mind altering experiences valuable morally aesthetically or otherwise Is the acquisition of drug induced mind altering experiences ever immoral Should the acquisition of drug induced mind altering experiences ever be legally prohibited The Handbook gives an overview of the current research and sets the stage for future directions in philosophical thought relating to psychoactive drug use

Memories and Monsters Eric R. Severson, David M. Goodman, 2018-01-02 Memories and Monsters explores the nature of the monstrous or uncanny and the way psychological trauma relates to memory and narration This interdisciplinary book works on the borderland between psychology and philosophy drawing from scholars in both fields who have helped mould the burgeoning field of relational psychoanalysis and phenomenological and existential psychology The editors have sought out contributions to this field that speak to the pressing question how are we to attend to and contend with our monsters The authors in this volume examine the ways in which we might best relate to our monsters and how the legacies of ancient traumas and anxieties continue to affect our current stories memories and everyday practices Covering such manifestations of the monstrous as racism crimes against humanity trauma as portrayed in music and art and the Holocaust this book explores the impact the uncanny has on our individual and collective psyches By focusing on a very specific theme and one that excites the imagination Memories and Monsters stokes the flames of an important current movement in relational psychoanalysis It will appeal to psychoanalysts and psychoanalytic psychotherapists as well as professionals in psychology and graduate school students and tutors in the fields of both psychology and philosophy

Reframing Trauma Through Social Justice Catrina Brown, 2024-07-31 This cross disciplinary volume examines and reframes trauma as a social and political issue in the context of wider society critiquing the widely accepted pathologizing of trauma and violence in current discourse Rooted in critical social theory this insightful text reinvokes the critiques and analysis of the women's movement and the personal is political framing of trauma to unpack the mainstreaming of trauma discourse which has emerged today Accomplished contributors address the social construction of femininity and masculinity in relation to trauma and violence and advocate for

a broader framing of trauma away from the constrained focus on pathologizing and diagnosing trauma individual psychologizing and therapy Instead the book offers a fresh and compelling look at how discursive resistance alternative feminist and narrative approaches to emotional distress and the mental health effects of violence can be developed alongside community based preventive political and policy based actions to create effective shifts in discourse practice policy and programming This is fascinating reading for upper level undergraduate and postgraduate students researchers and academics in a broad range of fields of study including psychology social work gender and women s studies and sociology as well as for professionals including policy makers clinical psychologists and social workers
