The Sociology of Work Keith Grint, 2005-06-10 The third edition of this best selling textbook has been carefully revised to provide an up to date indispensable introduction to the sociology of work It not only includes clear explanations of classic theories and evidence but also covers the most cutting edge research data and debates In addition to being revised throughout the book contains substantive new sections on globalisation including global branding and slave labour and a new chapter on the myths and realities of modern employment Chapter by chapter Keith Grint examines different sociological approaches to work emphasising the links between social processes the institutions of employment and their social and domestic contexts His use of an international range of empirical evidence helps to make his account especially accessible to undergraduate readers The book has been specially designed to support students understanding and to develop their critical responses to the literature Written in a lively and accessible style it provides student friendly chapter summaries suggestions for further reading a glossary and practice essay questions This third edition will be essential reading for students of the sociology of work industrial sociology organisational behaviour and industrial relations Students studying business and management courses with a sociological component will also find the book invaluable

The Designs of Academic Literacy Michael Newman, 2002-03-30 This qualitative multi case study of academic literacy is the first research to assume the premises of the Multiliteracies Project of the New London Group of literacy researchers It takes a multimodal view of literacy not limited to reading and writing and sets about to uncover the Design the flexible structuring of rules and principles that students and teachers both follow and create in college courses This Design takes the form of a game in which students channel content from sources such as texts and lectures to assessments of various kinds Students are then rewarded in the form of grades to the extent that the content they display matches the criteria the professor sets up The students in this study had to determine which content would or would not match these criteria which of six types of information facts concepts connections processes principles or metainformation e.g rhetorical patterns were desired and how best to supply them To move content from source to target they used four operations These include exposure making themselves conscious of the information extraction a process of selecting information manipulation changing or synthesizing information and display showing the information Greater awareness of this Design led to greater success Pedagogical implications of this model include establishing a more realistic curricula for academic literacy programs and educating professors to better match grading criteria with learning goals

Passing on Sociology Charles A. Goldsmit, Everett

Wilson,1980 **Handbook of College Reading and Study Strategy Research** Rona F. Flippo,Thomas W. Bean,2018-06-12 The most comprehensive and up to date source available for college reading and study strategy practitioners and administrators the Third Edition of the Handbook of College Reading and Study Strategy Research reflects and responds to changing demographics as well as politics and policy concerns in the field since the publication of the previous edition In this thorough and systematic examination of theory research and practice the Handbook offers information to help college reading teachers to make better instructional decisions justification for programmatic implementations for administrators and a complete compendium of both theory and practice to better prepare graduate students to understand the parameters and issues of this field The Handbook is an essential resource for professionals researchers and students as they continue to study research learn and share more about college reading and study strategies Addressing current and emerging theories of knowledge subjects and trends impacting the field the Third Edition features new topics such as disciplinary literacy social media and gaming theory The Mature Student's Guide to Writing Jean Rose,2012-07-26 Through its use of conversational and supportive tones this popular guide puts readers at ease assisting the transition to academic study With clear explanations summaries and exercises it is an invaluable companion for the mature student This third edition has much new content including a new chapter on writing a dissertation proposal **Research in Education** ,1970 Resources in Education ,2000 *The High School Teacher* ,1925 **General Education Essentials** Paul Hanstedt,2012-05-29 General Education Essentials Full time and part time faculty in any discipline and at any size campus with any type of mission can pick up this volume and learn something that will help her or him improve teaching and learning From the Foreword by Terrel L Rhodes vice president for Curriculum Quality and Assessment Association of American Colleges and Universities Every year hundreds of small colleges state schools and large research oriented universities across the United States and increasingly Europe and Asia revisit their core and general education curricula often moving toward more integrative models And every year faculty members who are highly skilled in narrowly defined fields ask two simple questions Why and How is this going to affect me General Education Essentials seeks to answer these and other questions by providing a much needed overview of and a rationale for the recent shift in general education curricular design a sense of how this shift can affect a faculty member s teaching and an understanding of how all of this might impact course and student assessment Filled with examples from a variety of disciplines that will spark insights General Education Essentials explores the techniques that can be used to ensure that students are gaining the skills they need to be perceptive scholars and productive citizens This is THE ONE BOOK for academics to get up to speed about reforming general education Jerry Gaff senior scholar Association of American Colleges and Universities *The Publishers' Trade List Annual* ,1980 **Facing the CLEP Challenge: A Comprehensive Guide to Success** Pasquale De Marco,2025-07-25 Ace the CLEP Introductory Sociology exam and earn college credits with our comprehensive guidebook
